# Dead Man's Switch (King & Co. Cyber Suspense)

## Synopsis

Sigmund Brouwer, with nearly three million books in print, will have thrill seekers of all ages on the edge of their seats with this captivating young adult novel. When a teen boy receives a written warning from his friend to avoid his church and leave his remote island town immediately, he's terrified his friend died weeks ago! He knows danger is up ahead when he realizes that his friend's dead man's switch computer program has been activated. Unsure who to trust, he sets out alone to unravel a dark conspiracy. Soon, the seeker soon becomes the hunted in an unknown wilderness. The only hope for escape is a trigger-happy hermit—a man with his own secrets to hide. Fiction fans who love a great mystery and the quest for justice will talk about and think about this book long after the last chapter is read.

## Customer Reviews

"Dead Man's Switch was a very intriguing book and I could hardly put the book down! Every chapter was interesting and suspenseful. This book will captivate the young adults who read it and I am looking forward to introducing the book to the older students!" — Dale Ketcheson, Early Years Literacy Support/Reading Recovery, Rivererheights School "I could not put this book down. This thriller moves right along, from one perilous and nail-biting situation to the next. Not only that, but

the book touches on major issues important to people whose future will be more and more wrapped up in technological advancesâ€”privacy, security, and power. I will recommend this for my middle- and high-school students." â€”Yvonne M. Lacy, M.L.S., librarian, Liberty Christian School" This book is in particular suspenseful, a page-turner. It would make a great movie!" â€”Sandy Lange, Literacy Center Coordinator, Lake Pend Oreille High School

Sigmund Brouwer is the popular author of more than 40 novels and numerous non-fiction books. He is coauthor of The Last Disciple series, which was featured in Time magazine and on ABC's Good Morning America. Sigmund inspires teens to read through speaking engagements at schools across North America and through his Coolreading.com programs. Sigmund is married to Christian recording artist Cindy Morgan, and they have two daughters.

First, this is a totally clean book. No curse words. No implications or innuendos. At all. This book is really intense, a few twists, and PLEASE do not peek at the ending. I sometimes do, but this time I was glad I didn't! I read the entire book in one sitting, and will be looking through Brouwer's books for more like this one! The description said "Fiction fans who love a great mystery and the quest for justice will talk about and think about this book long after the last chapter is read," and that is definitely true!!! And I wanted a sequel right away! Like another reviewer said, the only thing I was disappointed in, was that the father only mentioned God once to his son, at possible life or death moment, when there was not much time to explain about his own time of salvation. I would have thought if he was a Christian, his son would have been taught about God since he was a child. This is my only wish that God would have been in the book more. I would like it to be woven into the thoughts and actions of the main young man in the story. (Read \*seasons of grace\*'s review.)

Sigmund Brouwer does not write enough adult fiction, so this book was a pleasant surprise. I picked this up for a long flight and couldn't put it down. It was a good read. I would strongly recommend this as an adventure that you will enjoy. I sure hope S.B. will write some more adult fiction.

This is so cool. Be ready for a fast paced book with surprises along the way. The main characters in the book are really intelligent & outsmart the adults time and again. I loved it.

My 15 year old who does not like to read couldn't put this down...I'm now buying everything from Sigmund Brouwer

Category: Christian Fiction/ Clean Action  
Clean Language: Yes  
Christian References: Few, overall  
just a good clean story  
Comments: Fun quick read with lots of action

Another all night read, kept me on my toes had to finish it.

It was good, but not as spine tingling as some of his others.

Very good action suspense novel. I enjoyed this as I do most all of Sigmund Brower's novels.
