Corsica [France] (National Geographic Adventure Map)

Synopsis

Waterproof Tear-Resistant Travel Map Explore the most mountainous island in the Mediterranean and discover while it's called the "isle of beauty" with National Geographic's Corsica Adventure Map. Cities and towns are clearly indicated and easy to find in the user-friendly index. A road network complete with distances and designations for major roads, expressways, scenic routes, and secondary roads will help you find the route that's right for you. The popular GR 20 trail is noted for advanced hikers looking to traverse one of the most beautiful mountain trails in Europe. With specialty content to include hundreds of diverse and unique recreational, ecological, cultural, and historical destinations, this map is a perfect companion to a guidebook. Beaches, winter sports resorts, golf courses, spas, castles, churches, camping areas, and UNESCO World Heritage sites are clearly indicated so travelers can take advantage of Corsica's many natural attractions and activities. The locations of airports, airfields, harbors, marinas, and ferry routes take the guesswork out of travel around the island. The front side of the print map details the northern region of this island country; bordering Golfe de Sagone and Golfe de Porto to the west, Tyrrhenian Sea to the east, and the Ligurian Sea and Golfe de St.-Florent to the north. The reverse side of the map shows the southern region; from its border with the Bouches de Bonifacio to the south, to the Tyrrhenian Sea, Golfe de Santa-Manza and Golfe de Porto-Vecchio to the east, and the Mediterranean Sea, Golfe de Sagone, Golfe de Valinco and Golfe d' Ajaccio to the west. This island is located west of Italy, southeast of the French mainland and north of the Italian island of Sardinia. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough • capable of withstanding the rigors of international travel. Map Scale = 1:150,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

This is a great map of Corsica. It has northern Corsica on one side and southern Corsica on the other side. The only thing I did was photocopy the legend and taped it on to the front of the map so I could see what the symbols meant.

This National Geographic Adventure map was exactly what we needed for our motorcycle trip. More than just a road and street map. We used other maps in the past but will be using these from now on.

Great tourist map.
