Simple in concept, essentially healthy, and intrinsically quick. Nancie's stir-fry recipes help you cook delicious dishes using easy-to-find ingredients. With these flavorful dishes, it's simple to please your family and friends. (Plus Magazine (San Luis Obispo CA))The recipes are easy enough for beginners in the kitchen, but so flavorful they will be appreciated by the most experienced cooks.

(Denise Landis The Exeter News-Letter (Exeter, NH) 2007-06-29)The recipes are inspired by [McDermott's] work and travels abroad and incorporate easy-to-find ingredients. (Giftware News)One pan is all it takes for quick, delicious meals. (Fancy Food and Culinary Products)

I just bought an electric wok and needed a new cookbook with stir fry recipes. 300 best Stir-Fry Recipes is the best cookbook I have purchased in a very long time. I have tried 5 recipes and they have all been excellent! They are easy to prepare and the ingredients can all be found in the grocery store. I would highly recommend this cookbook to anyone who loves Stir-Fry!

I love to cook and for someone like me, this book is definitely it. the recipes are great but above that, they give you ideas to be creative about you food. I love the little tips about substituting items when you don't have a particular ingredient at hand! Only problem is I wish it had more pictures, but oh well, can't have it all right?

The recipes are easy to follow and taste good too. I gave it to my daughter and daughter-in-law and they are enjoying using it too.

Wonderful recipes.

Wonderful

This book contains recipes for a variety of delicious stir-fries. It makes for attractive dishes that advance healthy eating habits..

for most people it's probably fine but I didn't care for half the ingredients used

This book is huge and heavy! But if you're a stir fry lover it's perfect.
