## Customer Reviews

THIS IS A WONDERFUL BOOK. I HIGHLY RECOMMEND IT.

Inspiring! A must read for any business owner!

Love the real life examples!

Great book!

Linda Smith shares both her business and personal journey in such a true and heartfelt way. The journal entries and the way that they are shared make it hard to put this book down. An inspirational journey of an amazing woman following her dream and calling through both hardships and successes. I look forward to reading more and encourage everyone else to do the same.

Linda's book is authentic! There are so many challenges in running a business and she laid it out for the reader. A knowledgeable business woman who has survived in the tough business world.

Business by Faith is more than about business, it is about all aspects that affect business and the personal life of a business owner.

A passionate demonstration of acting on the dream God placed in your heart and watching as it comes to fruition. The author revealed herself completely to her reading audience about the ups and downs that can come when you stand on faith and operate in obedience. This book is for more than those that desire to start a business, it is for all who desire to follow the lead of God.

This book is a must read! I keep it close--so when I need inspiration and motivation, I can get it. Linda shares her journey, holding nothing back! You will be treated to a behind-the-scenes account of her trials, tribulations and triumphs. It lets you know that all things are possible, if you have faith (and determination).
