Reviewed with Olivier Dunrea's Boo Boo.PreS. Similar in format and approach to Dunrea's picture books about Gossie, Gertie, and Ollie, these volumes introduce two new goslings. Boo Boo presents a little blue gosling who likes to eat; she walks around the barnyard happily devouring morsels left out for the hens, the goat, and the mouse. When she swallows a soap bubble, she begins burping repeatedly. Afterward, Boo Boo seems a little more discriminating about what she calls "Good food." Peedie features a yellow gosling who is a bit forgetful. Though he always wears his baseball cap, one day he forgets where he put it and searches for it without success. His mother reminds him to do a chore he had forgotten, and Peedie is elated to find his cap. Although the simple stories will please children, it's the cleanly designed and sometimes humorous ink-and-watercolor artwork that gives these small books their irresistible charm. The simple texts make these good choices for new readers. Carolyn PhelanCopyright © American Library Association. It is the cleanly designed and sometimes humorous artwork that gives these small books their irresistible charm. â "Booklist, ALA Dunrea's simply charming ink-and-watercolor art reveals an

endearing cast of diminutive critters. â "Publishers Weekly Forgetful Peedie enjoy[s] circular adventures replete with the repetitive phrases in which toddlers revel. â "Bulletin of the Center for Children's Books The ink-and-watercolor illustrations are as simple as the text, and small children will recognize and relate to each story's tiny arc and resolution. â "Kirkus Reviews Dunrea's feathered characters have the look and feel of preschoolers rapt in their own discovery of the world. â "School Library Journal

Love these books! Sturdy and thick with super cute stories...I love reading them as much as my daughter loves hearing them! Also great for beginning readers, as the sentences are simple and sometimes repetitive with uncomplicated text. Love the whole series of Gossie and Friends...highly recommend!

Peedie is a small, yellow gosling who sometimes forgets things. Olivier Dunrea's illustrations are simple yet colorful - absolutely delightful and appealing to all, yes even adults. Peedie wears a red baseball cap wherever he goes until one day he puts it in a secret place. Of course he forgets where he put it and so a search commences? Where does he find it? On top of an egg :) One of our preschoolers favorite in our home library.

My toddler LOVES Gossie & friends books. They are so simple but cute!

excited when books arrived in good time. all the books i ordered arrived together. the book arrived in the condition as was stated in description and the price of the book was reasonable. I am very happy with my purchase of this book. Very fun book for kids and very excited to have it in our collection of childrens books. Very prompt shipping and product arrived in excellent time and condition. very very happy with my purchase and will definitely buy more of these kinds of books.

Gossie is my sons favorite book so i ordered a bunch of the "friends" books. the stories in them are just OK though. some dont really make much sense either.

This book and all the others in this series exceeded my expectations. My granddaughter, who is 18 months loves them. She has memorized parts of them.

My kids love these books- fun characters, simple/relatable stories, cute illustrations. I withhold the

5th star because my husband does not share our enthusiasm.

Our granddaughter loves these books!!!
