Rebel Glory (Orca Sports)

Synopsis

At 17, star defenseman Craig McElhaney likes his chances of making it as a pro hockey player. Yet, a string of recent "accidents" threatens to knock his team out of the playoffs and ruin his promising career. Craig has begun to question how many "accidents" can happen before they become more than a coincidence. But it's not a good time for questions. Not in the spotlight of high-pressure hockey. Not when the team needs him most. And not when he has some important lessons to learn about life. For Craig, however, there is no choice. Unless the questions are answered, the team's season and his promising career will surely end.

"Written in a fast-paced style and at a comfortable reading level." (TeensReadToo.com 2007-01-01)

A string of accidents threaten to knock the team out of the playoffs.

The backdrop of REBEL GLORY is the world of junior hockey in Canada. Craig plays for the Red Deer Rebels. If he can help take them to the playoffs, his chances of making his way into the NHL would be almost guaranteed. Craig's entire focus is hockey, and when the team's performance begins to slip, he worries that his dreams will amount to nothing. The Red Deer Rebels are suddenly plagued by bad luck. One player finds his hockey gear infested with cockroaches, a game on the

road is jeopardized by not one, but two flat tires, and team uniforms are mistakenly washed with fiberglass insulation, causing itchy rashes that distract the players during the game. Craig begins to realize that many other incidents seem to be pointing to some sort of team sabotage. Sigmund Brouwer provides an inside view of junior hockey and one player's determination to save not just his own career, but his entire team's reputation. REBEL GLORY is written in a fast-paced style and at a comfortable reading level that will attract even the most reluctant readers. Reviewed by: Sally Kruger, aka "Readingjunkie"

My 8 year old son LOVED this book! He is usually a reluctant reader and has a hard time getting into chapter books. This one hooked him from the very beginning!

I'm not a big reader but my wife brought home Rebel Glory for my son Wesley who is 10 and plays roller hockey. Well I picked it up and started reading it and couldn't put it down. Since then we have the whole series and we are sharing them with Wesley's team mates to introduce them to Sigmund Brouwer. Thanks for good clean books that children can read, as well as us big kids.

I am 12 years old and really liked this book! I already ordered the other sequels. Rebel Glory was funny in some parts and there were mysteries to figure out, too. At first, I didn't want to read it, but now I'm thirsty for more! Sigmund Brouwer, you're the best!
