Cancer Cookbook: 125 Anti-Cancer Recipes To Prevent, Treat And Beat Cancer

Synopsis

Your health is one of the aspects of your life that you may not have full control over. However what we do fully control is the foods we eat. Unfortunately Cancer is one of the leading causes of disease in the United States and most parts of the world. Many people are not even aware that cancer can be managed or even prevented through eating a specific healthy diet. Inside this book you will find a myriad of recipes designed to keep your body at optimal health and prevent, treat, or beat cancer. Download your copy now, click the "Add to Cart" button above.

Customer Reviews

This cancer book is very help full. I wished I would have bought it sooner. Great reference book to have for those that want to help fight cancer with proper nutrition.

I hope it was able to help you to find a wide variety of simple, and delicious sounding recipes that you can't wait to try for yourself.

Great anti-cancer recipes for preventing, treating and beating cancer..

Great book! This book contains healthy delicious anti cancer recipes that very easy to prepare. It also contains nutritional information that very easy to understand. Well presented book, that great for those who want to fight cancer through healthy delicious foods. Recommended.

Extremely suspicious reviews. I clicked 5 profiles of 5 star reviews. Most of them review many books the same day. All started in 2017. They ALL have Python programming language or passive income book in their reviews list. Not saying this particular book is a scam, but to me reviews are. For me information on beating cancer is extremely important, so i need to make sure author knows what he does. When i see potentially paid reviews, i go around. See for yourself..

Well I like this book so much! This book step by step is easy to follow and the content is well organised. I like this book because this is not just a cookbook with recipes and diet programs, but so much more. It gives me insight how to have a better lifestyle to fight cancer. Some of my friends were struggling with cancer diseases, and I knew how painful they were during chemotherapy. I will recommend this book to everyone who seriously wants to fight cancer and to gain a healthier life.

This is one of the best cookbooks I've used. I wish I'd bought it years ago. While it is great for recipes during treatment. This is one of the best cookbooks I've used. I wish I'd bought it years ago. While it is great for recipes during treatment, it will also be perfect for cooking for years to come.

The book "CANCER COOKBOOK" is an useful book. It contains 125 recipes and all the 125 is healthy and useful. The author has given best in this book. Definitely this book will give good result. My cousin has suffered from cancer and he tried many medicines and consulted many treatments , it didn't help. After using this book he was free from cancer. He is very healthy. I would like to thank the author for given this wonderful book, thanks, Recommended book
