# Love Changes Everything (Hawaii Billionaire Romance Book 4)

## Synopsis

Fast-paced suspense meets sweet romance in this enthralling story by bestselling author, Jennifer Youngblood. Indigo Quinn doesn't go to college in Hawaii to escape her high school sweetheart, but she does need a break from all the pressure he's been putting on her to settle down. While her head knows she should be sensible, her heart craves adventure—a chance to really live, to find something more! But when adventure comes in the way of Keoni Alana, a former championship surfer with movie-star looks and piercing green eyes, Indigo is unprepared for the sparks that fly. Intense attraction gives way to a tender romance as Indigo is pulled into Keoni's enchanting and exotic world. But Keoni has a complicated past and a billion-dollar inheritance on the line. The idyllic island setting takes a darker turn when Indigo fears she's being stalked and unwittingly becomes the pawn in a web of deceit as Keoni rushes to save her. Caught between duty and love, Indigo and Keoni must decide how much they're willing to risk to find out if love really can change everything. **BONUS:** Includes excerpts of *Love on the Rocks* and *How to See With Your Heart*. The Hawaii Billionaire Romances are each stand-alone novels, but some of the characters interconnect. ## Customer Reviews

I really love Jennifer Youngblood's books but this book bogged down so badly in the end that I just about gave it a 4. The writing was great until the author tried to end the book. The last pages were almost torture to read. Fortunately, the epilogue was interesting enough it saved the book.

Indigo is fiery and lovable! Keoni is handsome and fearless! The love triangle kept me turning pages! You don't want to miss this one!

This is a charming story with likeable characters and a great adventure. The family secret adds a twist that will keep you interested until the end.

Oh, my Keoni is so dreamy! I just loved him and completely understood why Indigo would fall for him. This book has it all with adventure, suspense, romance, unreal setting. You'll feel like you're on vacation! Highly recommended.

Jennifer did it again with such an interesting story from beginning to end! Her characters come alive and I am transported back to beautiful Hawaii again....a quick, fun read that combined Jennifer's mastery of suspense with clean romance!

Indigo and Keoni were a fun couple to read about. From the first moment that they see each other there are sparks flying! They seem to have this connection pulling them together and yet everything around them seems to be pulling them apart. Will their budding love for each other have a chance or will sinister forces prevail in breaking them up. The opening scene was a little bit of a nail-biter and kept me hooked from the get go. I was shocked, I couldn't believe what was happening. Then it ends and jumps into the thoughts and perspective of sweet Indigo. She's leaving everything she knows behind to follow a dream. Yet when she arrives in Hawaii she is torn between the memories

of her past and the pull of her future. I loved the grandma! She was awesome. I loved her desires for Indigo to not settle but to follow her dreams and take a risk in life. There are several secondary characters that will keep you on your toes so watch out and enjoy the ride! Content: Clean. Kissing, some moments of suspense but nothing graphic. Talk about drowning, and death. Happy Reading!!!

Love, love, love! What do I say about this book? I LOVED IT! Unique story, mystery behind though it was obvious to figure but didn't take away from the book at all. LOVED every bit of it. I love the meaning behind names thing. I have such a unique name that a person who puts names to phrases and scriptures had to pray and get inspiration for my name. He did for everyone like that but mine took extra time. So awesome how that works.

Interesting story of betrayal, lost love, heritage and God's divine intervention. You will enjoy learning about Hawaii and it's culture. There is a twist you won't see coming in the end.
