Baptized In The Spirit: God's Presence Resting Upon You With Power

Synopsis

You Can Experience the Baptism of the Holy Spirit...Every Day! “Are you filled with the Holy Spirit?” Sadly, there has been much division surrounding this one question. Many believe that the Holy Spirit in-dwells a person at the moment of their conversion. Others contest that baptism in the Holy Spirit is a separate experience altogether. Apostolic leader, theologian and healing minister, Randy Clark, shares about how this controversial and often misunderstood experience can be accessible to all Christians—including you! Through engaging, practical teaching and powerful testimonies, you will learn how to: Understand the clear Biblical reasons people should be baptized in the Spirit and what that really means Biblically receive and experience the baptism of the Holy Spirit Unlock the benefits and blessings of being baptized in the Spirit Operate in the gifts of the Spirit: prophecy, tongues, and other supernatural graces All Christ-followers have the Holy Spirit living within them. And yet, there is more. When you are baptized in the Spirit you will experience new dimensions of God’s power resting upon you in a supernatural way!

Randy Clark, with a DMin from United Theological Seminary, is the founder of Global Awakening, a teaching, healing, and impartation ministry that crosses denominational lines. Randy and his

wife, DeAnne, live in Pennsylvania.

There are things in this book that will hit you and be so plain and so obvious when you read them but somehow you've missed it all this time. This book is revolutionary and a must for anyone who is seriously seeking God and wants to grow in relationship with Him.

This covered more angles of this experience including more crossing of denominational lines than I ever believed possible! Praise God!

Very informative and stirring. I love how he said "there is more similarities than there is differences." Regarding the beliefs about Holy Spirit.

This book is so inspirational. Anyone who is seeking more of God's presence in their lives should include this book in their library.

High recommended! This is a refreshing book! Delves deeply with the baptism in the Holy Spirit. Randy Clark supplies us who read this wonderful book not only with support from the Word of God, but also from his experiences. I have tried to read all I can regarding the Baptism of the Holy Spirit and this book stands out among all the other books! This book describes a balanced view of the Baptism of the Holy Spirit. It also is very PRACTICAL. It tells us:1- Both the Pentacostal and Traditional views of the Baptism in the Holy Spirit, as well as the Protestant and the Catholic perspectives!2-Practical instructions of how to RECEIVE the Holy Spirit.3-The Benefits and How to receive the wholeness of God. This book is not only a good teaching with a balanced view from all perspectives, but what I enjoyed is how practical it is in How to be filled with the Holy Spirit, How to be in His Presence and being Led by the Spirit, the Holiness and Purity and Power of the Holy Spirit we can all experience and enjoy as Children of God! Not only that, we are commended to do it !.

Randy Clark's book, or at least the opening chapter (the only part available as of today) is a practical, thorough and Biblical treatise that not only tells the story (and stories!) of Pentecost, but filled me with hunger and a sense of yearning too.

In his book "Baptized in the Spirit of God's Presence Resting Upon You with Power" Randy Clark, presents a definitive study

on the Baptism of the Holy Spirit. The book is the culmination of years of study, application, and personal experience in areas operating in the gifts of the Holy Spirit, prophecies, the gift of tongues, and the gift of impartation. Dr. Clark understands the depth of diversity and opinions prevalent today in Apostolic teaching and Pneumatology. The book is divided into four parts: Part One describes and defines the Scriptural, historical, and theological perspectives of six different positions taken on the Baptism of the Holy Spirit. Part Two provides an introduction to the subject of experiencing the baptism of the Spirit, receiving the baptism, and evidences of the baptism. Clark shares his own story as well as the personal testimonies of a broad spectrum of Christian leaders from different eras and backgrounds to illustrate how individual experiences vary. These stories attest that baptisms have occurred at the time of salvation, deliverance, or surrender. In Part Three, Dr. Jon Ruthven, a mentor of Clark, presents "A New Biblical Understanding of the Spirit." Ruthven compares Theological traditions on the baptism in the Holy Spirit with the central mission and message of Jesus on the Holy Spirit as found in the four Gospels. Part Four covers issues of holiness, equipping, revival, and more testimonies of Holy Spirit Baptism. Clark delivers a masterful, Biblically based, historically accurate, and theologically sound resource that crosses denominational positions. "Baptized in the Spirit" is destined to become required reading in seminaries, leadership workshops, and seminars. Theological Professors, Pulpit Ministers, and Bible Teachers, professional and lay, will appreciate Clark's thorough research, documentation, detailed chapter end-notes, and extensive bibliography. Randy Clark founder of Global Awakening earned a DMin from United Theological Seminary and is highly recognized by his peers for his credibility and integrity. He is in demand as a speaker, in Bible conferences, international missions, and as a leader in the Apostolic movement. A complimentary copy of this book was provided for review purposes. The opinions expressed are my own.

One can not read this book without bathing in the warmth and gaining knowledge of the Holy Spirit. As a Christian, I want to share this book with all that I know as additional information just in case. Thank God, He blessed me to read this book! I couldn't read it one time and let it go.
