great to have

A great critical edition and piano reduction of this opera. Text in Italian and English. A good 1/8th of the score is critical commentary and other introductory material. The reduction itself is fantastic and could not be improved upon much (if at all).

Lots of pages of editorial info at the beginning, but a clear, well-bound edition with Italian and English text.

I have been purchasing the Ricordi scores for several of the operas. They are always in great shape. They are easy to read. The printing is just beautiful.

Good score for the price, although I wouldn't mind a better quality cover and bigger letters for the text. I understand that Ricordi want to release an affordable vocal score accessible for all but still I think could be a little better, particularly with the size of the words printed! Thank you!

This is a nice copy. Many markings for a singer to follow that are consistent with the original score. Came really fast and good service.
