Matilda The Musical - Piano/Vocal Selections (Pvg)

Synopsis

(Vocal Selections). A modern day music theatre phenomenon, *Matilda The Musical* is the multiple Olivier Award-winning adaptation of Roald Dahl's classic children's novel, newly adapted for the stage with music and lyrics by Tim Minchin. This official songbook presents all the songs from the show arranged for voice and piano with chord symbols, as well as an eight-page color photo section and an exclusive foreword written by Tim Minchin. Songs include: Bruce * The Hammer * My House * Naughty * Quiet * Revolting Children * School Song * The Smell of Rebellion * Telly * When I Grow Up.

Customer Reviews

This musical should have at least won best book of a musical, best music and best orchestrations at its Tony awards!! It was totally robbed. Tim Minchin is an absolute genius and this book of arrangements stays true to his vision. The song 'Quiet' is particularly true to the original recording and it's beautiful to play.

this is incomplete. It does not include the vocal harmony! all the reviews said it was as performed! do not need this book since it only has melody

Tim Minchin doesn't skimp on the sheet music for "Matilda" - the songs are all there in their entirety from the original soundtrack; in the same key and with no changes in difficulty (and some of the

chords are NOT easy to play). Well worth the price for both experienced pianists or beginners up for a challenge.

The songs have the melody of the vocal part in the piano part, which always annoys me, but other than that, all the songs seem complete, and it's great. Naughty is easy to play along with, so that's my favorite one right now, but I haven't played through all the songs yet, so we'll see.

Do not expect big-note easy-reading adaptations of the musical; toe the line and practice and you'll be able to play from "Loud" to "Quiet."

If Matilda is one of your favorite musicals, or you collect vocal/piano books, this is for you. I decided that I wanted to learn songs from Matilda, and when this book came, it was super easy. It includes most of the songs, some pictures, and clear sheet music. I gave it a 4 because it did leave out some reprises that I would want to have in it, but it is perfect otherwise.

Daughter's singing some songs from this musical. We bought *Matilda the Musical - Piano/Vocal Selections (Pvg)* so she could better understand the pitch changes. Was this easy enough to play? Yes! It captures the main melody lines and worked really well for what we wanted.

My daughters favorite music book. She is learning to sing from it. We recently got a piano and she can't wait to learn how to play the piano to play these songs.
