# The Best In Tent Camping: The Carolinas: A Guide For Car Campers Who Hate RVs, Concrete Slabs, And Loud Portable Stereos (Best Tent Camping)

## Synopsis

Written to steer campers away from concrete slabs and convoys of RVs, *The Best in Tent Camping: The Carolinas* points tent campers to the most scenic and serene campsites in the Palmetto and Tar Heel State. Including five new campgrounds and completely updated, this latest edition has a campground to suit nearly every camper's taste. In North Carolina, experience the rare spruce-fir forest of Balsam Mountain Campground or the sand dunes of Frisco Campground. Visit Cherry Hill, South Carolina's finest upcountry campground, or pitch your tent by the Atlantic Ocean in Hunting Island State Park. From the Smokies to the Atlantic, each campground profiled is unique.

## Customer Reviews

...include detailed maps of campgrounds...key information as fees, reservations, rules on pets and fires...driving directions. -- Danny Bernstein, *Mountain XPress*, December 20-26, 2006  
Comprehensive guide...will appeal to the first-time camper as well as the car-camping veteran. -- Ed Wall, *New Bern Sun Journal*, November 24, 2006

If you subscribe to the opinion that televisions, Japanese lanterns, and electric guitars are not essential camping equipment, *The Best in Tent Camping: The Carolinas* should be your constant companion. Each campground profile includes:

- Detailed campground maps
- GPS Coordinates of each Campground entrance
- Key information such as fees, restrictions, and

dates of operation  
Driving directions to the campground  
Ratings for beauty, privacy, spaciousness, quiet, security, and cleanliness  
Whether enjoying the cool breezes on the coast or the cool breezes in the mountains, *The Best in Tent Camping: The Carolinas* is a guidebook for tent campers who like quiet, scenic, and serene campsites. If you are a native Carolinian in search of new territory or a vacationer on the lookout for that dream campground, this book unlocks the secrets to the best tent camping North and South Carolina have to offer.

Pretty good book! Much more information than any other book I've found. Love that they give personal favorites for different sites in each campground.

Have most of the books in our area and the reviews are great if you like to tent camp, that's what I enjoy. Just because they don't have hot showers is a plus (it keeps some of the party types away) besides a river is better anyway.

Wish there was a newer version but this one has helped us plan our camping trips well.

This is a great book on camping in the Carolinas, particularly if you just moved here 6 months ago like us. It's very handy and I'm happy to own it.

My friends and I have found many discrepancies with this book. It is great for locating camp sites. I'm just not sure if he has ever been there. It has a lot of good information.

I have used the *Tent Camping Florida* book by this author to the point where the margins have no more room for notes! It is my tent camping bible when I'm on the road. I also own several other of his books. I am a sales rep and prefer to camp rather than take my chances at some hotels. The books by this author are accurate, insightful and dead on when it comes to giving realistic portraits of the various campgrounds. I especially like them because he points out places you may not be able to locate with a simple internet search, plus gives you the best secluded tent spots! Buy these books with confidence and enjoy the experience of tenting in some of the nicest off-the-beaten-path parks around!

I found this book to be very simple and helpful. It tells just enough without going into great novel length. It offers a rating in a side bar on beauty, safety, noise, pets, showers and toilets and such. I've

used this book several times and it has been great.
