I just received the book today and I love the way it’s set up! It has 4 flexible plans you can choose from and you can pick the one that fits your goal best. But the best part is that, from within the plan you choose, you actually pick which meals you want to make for each day.. sooo cool, can’t wait to start!

Love this cookbook and love Marco Borges and all he has done to help people change the way they eat! This book has incredible pictures and enticing recipes that are sure to please. There are easy to follow plans to help anyone get on track with a plant based diet! Beautifully done! Keep up the great work 22 Days!!! You never disappoint
