## Customer Reviews

I am in love with this series, it has inspired me as an upcoming writer. To keep me drawn in to the mystery and suspense the love and betrayal each person in this series has endured. The loyalty a person can have and flip like a switch on the wall and become disloyal to the only loved ones you have. I have been a fan since I was in 6th grade staying up late to read The Cartel knowing my mother would have my butt on a platter. Keep up the good work been a fan for years and many more to come can't wait to see What you have in store for us in The Cartel 6. Does Miamor and Breeze walk free. What will happen to Monroe Diamond Jr and Carter Jones Jr.

Ashley and JaQuavis have done it again!!!! Another page turner that = fiyah!!! I love, love, love their style of writing. Every one of their books keeps me on the edge of my seat and this one was not exception. I can't wait to read Illuminati.

Gotta love this family, they are portrayed with an unmistakable flair and suavito. The authors are brilliantly gifted, as well as ON POINT with street life.
