# The Tale Of Nefret (The Desert Queen Book 1)

## Synopsis

"The Story of the Most Mysterious Queen of Ancient Egypt" Explore the Legend of Nefertiti! Twin daughters of an ancient Bedouin king struggle under the weight of an ominous prophecy that threatens to divide them forever. Royal sibling rivalry explodes as the young women realize that they must fight for their future and for the love of Alexio, the man they both love. The Tale of Nefret chronicles their lives as they travel in two different directions. One sister becomes the leader of the Meshwesh while the other travels to Egypt as an unwilling gift to Pharaoh. From the desert to the throne room, The Tale of Nefret is the first book in The Desert Queen trilogy, the fictional story of Nefertiti, Queen of Egypt. The Desert Queen Series The Tale of Nefret The Falcon Rises The Kingdom of Nefertiti The Song of the Bee-Eater Æ' Æ' Æ' Æ' Seven Sisters Series Seven Sisters Moonlight Falls on Seven Sisters Shadows Stir at Seven Sisters The Stars that Fell The Stars We Walked Upon The Sun Rises Over Seven Sisters Æ' Æ' Æ' Æ' Praise for The Tale of Nefret "Amazing! Best book to date from Bullock yet. You get caught up in the characters and story almost from the first page. The book stands alone but definitely begs for the next book to come soon. Every character breathes from the moment they walk into a scene, and you can't help but be invested in the outcome of their lives. The desert of Egypt is just another bonus. You can feel the heat and the sand as you read, and the visits to the cool oases are just as soothing. This is worth your time. I finished it in one day." ## Customer Reviews

This is an interesting form of historical speculation. Well written, with interesting and compelling characters, shifting of voice, etc. However, there is also a need for basic historical accuracy with what we do know. Which is why it has a four star rating instead of a five over what may seem a trivial matter, but is not. This book is clearly set near the end of the reign of Amenhotep III, who died in 1352 BC. Yet, the tile on the floor of Queen Tiye's quarters is discussed as being either Greek or Roman. Really? Rome was not founded until 753 BC, six centuries later, so no Rome and no Roman tile available. This kind of error is jarring to a reader putting aside disbelief on some of the assumptions because the story is just so well done and is, after all, fiction. We really do not know for certain where Nefertiti came from, or Tiye or even Horemheb, so speculating as to their origins adds to the interest, even if I disagree with some of the conclusions and does not spoil enjoyment of the book. Recommended to those who do not get all hung up in the various theories re the 18th Dynasty.

Fast paced, enjoyable mix of mythology and well researched historical fiction with a touch of the supernatural that is hard to put down. Great read! Don't miss Book 2 and 3 in the Desert Queen Series and the (hopefully) soon-to-be-released Book 4.

I enjoy a book based on historical figures where the author presents them as real people and I get to peer into their world and lives.

Good story, keeps your interest. I am forward to reading the next book in the series! I bought all 4 of them.

I GAVE THIS BOOK 5 stars , it is descriptive Intriguing, and hopeful, it will leaves you wondering what is next.

Loved it! The characters were believable and the suspense kept it interesting!!Will read the other 2 books!

Very interesting tale in old Egypt. Details of life in a tribe living on the desert.

I enjoyed both the story and the characters in this book.
