Frommer's Budapest Day By Day (Frommer's Day By Day - Pocket)

Synopsis

Budapest is the perfect destination for lovers of architecture, art nouveau as well as fans of opera and ballet. Day by Day show you the best way to see the city with thematic tours and bulleted maps. The Best Full Day Tours around the main sites of the Castle District, Andrassy ut, The Opera House, Heroes Square and all the best places to stop for coffee while you're wandering around. Includes Special-Interest Tours for those interested in the city's Communist past, and its Revolutionary history, for kids, Art Nouveau lovers, Coffee houses, and steam baths. Details the best neighbourhood walks around the Castle District, around the Royal district and the Jewish area. Features outdoor visits to Margaret Island, City Park with its ice rink, zoo, circus and time wheel, to Tabány and Gellert Hill. Lists the best shopping around markets and malls and little Hungarian stores. The best dining experiences from Magyar cuisine to sushi; the best nightlife, arts and entertainment including opera, and the best places to stay Includes day trips to some of the best surrounding wine areas.

Customer Reviews

At last, a travel guide that tells you how to see the best of everything in the smartest, most time-efficient way. The best of Budapest in one, two, or three days Thematic tours for every interest, schedule, and taste Hundreds of evocative photos Bulleted maps that show you how to go from place to place Hotels, restaurants, shopping, and nightlife for all budgets A tear-resistant foldout map enclosed in a handy plastic wallet you can also use for tickets and souvenirs

Robert Smyth is a Budapest-based British journalist who hails from the River Mersey directly across from Liverpool. He has been living in Budapest for around 15 years during which time he's seen certain aspects of the city change beyond recognition, but can still find enough old world and quirky charm to keep him there. He holds a degree in Economics from the UK, which he followed up with an MBA at Budapest's former Karl Marx University only to find that writing holds more appeal than the world of business. He has written print and online guides respectively for the Blue Guides and Whatsonwhen; he also writes columns on wine tasting for the local English language press and is Business New Europe's correspondent for Hungary. When not writing about traveling or wine, he likes to travel and taste wine.

These Frommer's pocket books are really really helpful, specially if you are visiting several countries and traveling light. The book gives you a good advice on that to do on the days you are in a city, perhaps sometimes I follow / combine the two days in one, not going to all the recommendations but to the ones that sound good or interesting to me. It won't tell you where to eat, for that just stop to a local place where you see many people seated, check their prices, and kind of food and be happy and open to new foods.

With this guide, we were able first, to decide what we wanted to see and do, and then how to get there. The walking maps were excellent as was the map of the trolley system. We never had a problem or misstep and felt it did a really nice job of being our guide.

I had 1.5 days in Budapest, a city I had been to 10 years ago and was traveling with my mother who had never been. This guide book was perfect. Just enough information to give us options and directions on what to do, without being overwhelming or too detailed. It does get a little confusing moving thru the various sections of the book, but we read it on the plane ride over and had dog-eared the book and were ready to go when we landed!

This compact size travel guide hits all the high points. It includes enough info to get you to the most interesting locations. Also includes a foldout map and info on public transportation. Frommer's does not disappoint.

Great Guide to Budapest! Easy to follow and perfect to see the best of this cool city! I am a total fan

of the day by day books! They are all superb guides.

My wife and I will be in Budapest this spring so I got this handy pocket guide to help us. The recommended three days of tours are full of appealing recommendations with maps and transit suggestions. Plus, it will fit nicely in my suitcase, which is too often over loaded.

This book is quite helpful to navigate around Budapest, even if you are quite familiar with the city. There are suggestions for sights and activities that may be helpful to construct daily itineraries, all available in a small, but informative book.

We will be going to Budapest this summer. However, this is giving us great information to make the most productive time with our three days in this city.
