Murder In St. Augustine (True Crime)

Synopsis

The murder of Athalia Ponsell Lindsley is notorious more than four decades after it occurred. The only eyewitness said a man attacked Lindsley with a machete in broad daylight on the front steps of her white mansion. Gossip swirled that neighbor Frances Bemis knew who killed Lindsley and would notify authorities. Bemis was later murdered on her nightly walk. Police arrested only one suspect for Lindsley's murder, which remains unsolved to this day. Author Elizabeth Randall puts the rumors to rest through research culled from over one thousand pages of depositions, records, official county documentation and interviews.

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 18 customer reviews

Best Sellers Rank: #405,406 in Books (See Top 100 in Books) #135 in [Books > Arts & Photography > Photography & Video > Celebrities](#) #450 in [Books > Arts & Photography > Photography & Video > Portraits](#) #1079 in [Books > Biographies & Memoirs > Specific Groups > Crime & Criminals](#)

Customer Reviews

"The author gets into detail, temperature, barometric pressure, high tide, low tide and headlines. All in order to let the reader know what exactly was going on in and around St. Augustine. This book is a page turner. - Monica Garcia" [First Coast Living](#)

Elizabeth Randall is a widely published freelance writer and a high school English teacher. She is the author of four books. Her most recent publication was a book about history and folklore titled *Women in White: The Haunting of Northeast Florida*. She and her husband, Bob, who is a freelance photographer and who contributed many of the pictures in this book, divide their time between two homes: one in Lake Mary and one in Crystal River on the island of Ozello.

Solves a 40-year murder mystery.

Read the fiction of this murder in the past... Could not put this book down, I've read it twice.

I got my Kindle copy yesterday and cannot put it down! Riveting!

Great read!

Excellent delivery service. Exactly what I needed.

Good Murder Mystery especially if you've spent time in the area. It is also an interesting historical perspective of St. Augustine, the nation's oldest city.

You won't want to put this book down once you have started reading it! Elizabeth Randall has carefully, intelligently and extensively researched this tragic murder case. Despite so much information and obvious clues that one would think could have lead to a conviction for a number of people in the mysterious tight knit town known as St. Augustine of the 70's, this case still remains unsolved today .The Author spends a lot of time describing the people involved, and so the Reader will be further intrigued and get to know them intimately., This book definitely inspires further discussion for a Book Club or a group of people that may want to set their own minds at ease and feel some closure once and for all after reading this exciting book!

Well written and researched true crime like this is hard to come by. The narrative flows, I never lost interest. The author makes the suspect and family real and human. I can't recommend it highly enough to fellow true crime readers.
