Just received my 5-Minute Fashion Illustration copy. I could not wait for this beautifully presented fashion sketch book. I follow Emily on her "Chic Sketch App" and have had many of my photos sketched with rave reviews from colleagues and friends. Ms Brickel Edelson is definitely a Fashion force to be reckoned with. This book along with her Chic Sketch app illustrations make wonderful gifts.!!!!!!

Absolutely love this fashion illustration book. Not only is it super informative and fun, but the cover is so cute and perfectly transitions into a coffee table piece. So easy to follow, aesthetically pleasing and the author is so inspiring. Definitely a great buy!

The one thing I didn't like about this book turn out to be major. The templates are so lite you can barely see them, which is so sad because this could have been a 5 star book.

Daughter loves this book!

Worth it

Tips are really helpful and the templates included are good, although I would have preferred them to be in A4 size.

Excellent information from an expert in the field of Fashion Illustration.

This is wonderful book by a talented artist. I was inspired and so were the two young women I gifted with their own copies. It is a fresh and exciting tutorial. Can't wait to do more sketching. Thank you Emily Brickel for this amazing book.
