I prefer my textbooks in Kindle version for searchability, bookmarks, highlighting, notes, etc. Unfortunately, Cengage doesn't give you the access card even though you are paying THE SAME PRICE for the book as the digital book! On top of that, Cengage is gouging the customer since there is no cost involved with printing and shipping a physical book. So where does the extra money go? It certainly doesn't show as savings for the customer!

The farther I get in this textbook, the happier I am with it. I love how simple the review cards in the back are, and I'm also in love with how feminist it is. I'm pretty excited for this class.

Got a good price for access card and book and arrived before my first day of classes!!

Unfortunately the book did not come with the online code as advertised. Had I known that I would have paid \$5 more to get the code. BE CAREFUL!

If you have to order a textbook, is the easiest way to do it. Our son orders all his books here and we have saved a ton of money.

Delivered on time, and on also came with the online kit I didn't know about.

Easy to understand and easy read.

Awesome!
