Frog On A Log?

Synopsis

A read-aloud story that will have kids rhyming around the house!"It's very simple, really. Cats sit on mats, hares sit on chairs, mules sit on stools, gophers sit on sofas, and frogs sit on logs."Each animal's designated seat rhymes with that animal's name. "It's not about being comfortable," explains the cat. "It's about doing the right thing."The frog does not want to sit on a log. Doing his best to find an alternative place to sit, the frog asks the cat a litany of questions. For every answer the cat has, the frog has another question--until the frog finds out what dogs sit on!Peppered with catchy rhymes, FROG ON A LOG? shows young readers that every animal has a special place to sit. With rhymes that are reminiscent of Dr. Seuss's beginner books, FROG ON A LOG? is a fun, educational read-aloud story that helps teach phonics!

K-Gr 2 **R**hyming animal names with objects is a common early reader theme. There have been plenty of cats on mats and frogs on logs. But a lion on an iron? Apes on grapes? This playful book takes that theme to absurd extremes. The story, such as it is, starts with a cat telling a frog to sit on a log. The frog balks, and the cat explains that this is just how things work. "You're a frog, so you must sit on a log." The conversation flows from there. "'What about puffins?' asked the frog. 'Puffins sit on muffins,' said the cat. 'Puffins sit on muffins, snakes sit on cakes, owls sit on towels.'" At last the frog asks what dogs sit on. The cat responds, "I was hoping you weren't going to ask

that." The final page shows the frog being squished by a dog. Rhyming words are slightly larger and darker than the others, and the illustrations are as bright and silly as the text. VERDICT A fun and welcome addition to the world of rhyming animal books. — Amelia Jenkins, Juneau Public Library, AK

* "Storytime will never be the same. Impossible to resist." -- Kirkus Reviews, starred review * "The clever and skillful artwork is highlighted by the pure, bright background colors, making this an eyecatcher for groups. Expect lots of laughter--especially at the twisty ending--and some creative additions." -- Booklist, starred review Praise for *Leave Me Alone* by Kes Gray and illustrated by Lee Wildish: "Incredibly moving, simply narrated" -- Midwest Book Review Praise for *Eat Your Peas* by Kes Gray and illustrated by Nick Sharratt: "The book may well tickle funny bones ... thanks ... to debut author Gray's escalating silliness." -- Publishers Weekly

this is a wonderful kid's book. Yes it is repetitive but the illustrations and the narrative are fun for any small child.

This book is hysterical! I prefer the English title, but the text inside is the same. Very funny, very cute. My kids (1.5 and 5) adore it.

Love reading this book with my 13mo old daughter. She gets a kick out of all the animals sitting on strange objects.

Silly, rhyming book that has a funny ending. Kids like it and it's actually enjoyable for parents too!

Suca a fun book. I love making voices for the characters! My daughter absolutely loves this book and luckily I haven't gotten sick of it yet.

Sometimes learning the concept of rhyme is difficult for young children, but this book has few words and large clear pictures, so the children get the idea of rhyme quickly. They also enjoy the humor shown in the pictures and the language.

This was a fun book to read to my 3 year old class! The kids loved it! Yes, there were a couple of rhymes that were 'off', but over all, this was a great book to read at Circle Time!

Because it's funny and I like it. I loved how it ended! I think the cat was being mean to him, and been nasty! I loved all the rymes. The end.
