Slumber Party Wars

Synopsis

When twelve-year-old, Nicole, is forced to go to a new school, nothing goes right. She swallows her contacts, throws up on the boy she likes, and looks like a dork in front of Sara, the girl she wants to be friends with most. Nicole faces one horrible (but funny!) problem after another. THEN, right when Nicole is finally making friends and fitting in at her new school, a mean trick is played on a girl in her class—starting the Slumber Party Wars. Funny 20,000-words middle-grade novel. For girls ages 9-12. **Note: For a limited time another funny story by Melanie Marks is included in this book as well. Enjoy!

Customer Reviews

Ordered this kindle book for part of my 11 year old daughters summer reading but I ended reading it first! I was surprised how much I liked reading this book and couldn't say enough to entice my daughter to read it too . If your child likes reading the Dork Diaries she will enjoy this book more.

Where do I even start?!? This book was incredibly written and I absolutely loved Nicole's personality. Loved it. She cracked me up in so many parts and I made over fifteen highlights and notes. Sarah, her friend, is amazing and I'm not a huge fan of Nina but I thought Kayla was funny and sweet. Although her few chapters that were in Kayla's perspective kind of ruined the amazing story of Matt and Nicole. Speaking of Matt, I loved him as well and one of my favorite chapters was the one in Matt's perspective, because I had a chance to hear from him. Oh my goodness! He likes Nicole!!!! Well, I kind of knew that already, but still-- it was so cool hearing that from him. I wish Nicole didn't like four boys-- Justin, Daniel, Matt and Walker. I disliked every one of them for similar reasons but not Matt! Recently I had read a sample of High-school Boys, before I had even read this book, and I wondered if these characters, Nicole and Matt, were in a series of other books... And I was right! I knew they kissed eventually. Too bad it's in High-school. Anyway, I loved this book and I think anyone who likes boy drama, friend drama, and mild but still funny humor, would like-- no, LOVE this book! Whoo-hoo Melanie Marks!!! --Anna

I have chosen this rating because the book has lots of details and interesting parts if you like something sad happy and romantic I would definitely recommend it I loved it so much by the way it is more than just slumber party wars many more wars it involves friendship and lots of other things I hope u enjoy!

This book is very good for girls in middle school. You will learn a lesson from this book. # dramatic

Funny...I'm the mom of a 12.5yr old and I downloaded the preview to read and see if I thought my daughter would like it.enjoying it myself... I knew my daughter would as well. so I bought this book for her. But I laugh..because I just finished reading it ~an hr and a half after buying it...and my daughter will probably be mad that I read it before her!!! I loved it ! A great read..talking about friends &how quickly misunderstandings arise, how to be a good friend, listening to that God given gut instinct that we all have. "Way to go Melanie! ", as a mom you definitely have my vote for the fun and honest way you write! My daughter is going to love it!

I REALLY LIKE THIS BOOK I AM STILL READING IT. BUT IT IS TURNING OUT TO BE A VERY GOOD BOOK FYI YOU SHOULD MAKE A GREAT BOOK ABOUT A WEEKLY MISSION TO STAY AND TO SOLVE PROBLEMS AND MYSTERIOUS MYSTERIOUS AND TURN THEM INTO
