# The Templar's Relic (A James Acton Thriller, Book #4) (James Acton Thrillers)

## Synopsis

A USA Today Bestseller and #1 Bestselling Action Adventure novel on , Apple, Barnes & Noble, and Kobo!THE CHURCH HELPED DESTROY THE TEMPLARS.WILL A TWIST OF FATE LET THEM GET THEIR REVENGE 700 YEARS LATER?A construction accident leads to a miraculous discovery—an ancient tomb containing four Templar Knights, long forgotten, on the grounds of the Vatican. Not knowing who they can trust, the Vatican requests Professors James Acton and Laura Palmer examine the find, but what they discover, a precious Islamic relic lost during the Crusades, triggers a set of events that shake the entire world, pitting the two greatest religions against each other.Join Professors James Acton and Laura Palmer, INTERPOL Agent Hugh Reading, Scotland Yard DI Martin Chaney, and the Delta Force Bravo Team as they race against time to defuse a worldwide crisis that could quickly devolve into all-out war.At risk is nothing less than the Vatican itself, and the rock upon which it was built.From USA Today bestselling author J. Robert Kennedy comes The Templar's Relic, the fourth entry in the smash hit James Acton Thrillers series, where once again Kennedy takes history and twists it to his own ends, resulting in a heart pounding thrill ride filled with action, suspense, humor and heartbreak.

## Customer Reviews

While this may be a work of fiction, it easily represents what could happen. Archeology has a way of enlightening the present of the past as well as changing the future!

I found this book a very good read in all aspects of, mystery, suspense, action and information. It adds historical fact as well as using up to date information and current opinions. It is very truthful and up front as far as commenting on the Islamic religion and its current clashes with western society. I would recommend this book to everyone.

Loved this story! This is my first James Acton book and I will definitely be buying the others in this series. Very well-written with a topic that is pulled from the front pages.

Interesting concept which could happen - maybe. Read it quickly and thought about what it was saying. A simple thriller but with a message to consider.

Archaeology and crime, what more could you ask? A little too current affairs at the moment, unfortunately.

If you like Dan Brown's Angels and Demons, then you'll find Robert Kennedy's archeology duo a compelling set of heroes. The Templars Relic brings home the senseless volatility we live with because of religious bigotry. A must read.

This is a good read. The authors sense of what could be makes for excellent reading. All the characters are pulled together nicely.

Great story and believable characters.
