Chilkoot Pass: The Most Famous Trail In The North

Synopsis

The Chilkoot Pass is indeed the most famous trail in the North, and Archie Satterfield has written a unique book that is ideal for both hikers and armchair travelers. This revised edition with current trail updates is history, adventure, and an excellent guide to the Klondike Gold Rush National Park all in one. The Chilkoot Trail has been called the "meanest 32 miles in history" and the history detailed in this book will corroborate that as well as why, conversely, hikers, travelers, and students today call it the "most beautiful 32 miles in Alaska and British Columbia." Archie Satterfield, an experienced hiker and outdoorsperson, has written more than twenty books. He's made several trips over the Chilkoot and down the Yukon River.

Book Information

Paperback: 214 pages

Publisher: Alaska Northwest Books; Revised edition (March 1, 2004)

Language: English

ISBN-10: 0882405896

ISBN-13: 978-0882405896

Product Dimensions: 5.5 x 0.5 x 8.5 inches

Shipping Weight: 11.4 ounces

Average Customer Review: 4.5 out of 5 stars 5 customer reviews

Customer Reviews

ARCHIE SATTERFIELD is a writer, photographer, editor, and lecturer-teacher.

In July we took the Alaskan Inland Passage cruise and my husband became interested in the Chilkoot Pass history. As soon as we got home I went to [Amazon.com](#), found this book, got it for his birthday and he has thoroughly enjoyed it. He only wished he'd read the book before we took our cruise.

great history, and a fun read my husband and I love this book great for preparing to hike the Chilkoot

This book provides a pretty decent history of the Chilkoot Pass and its usages during the Klondike Gold Rush era. In fact most of the book geared around the historical part of the Chilkoot although if

anyone wishes to read a great book, Pierre Berton's Klondike: the Life and Death of the Last Gold Rush is definitely superior. But I was basically looking at the book as a guide to hike the actual trail. Having read the latest version of this book and having hiked the Chilkoot Pass several times by now, I found the trail guide to be somewhat dated and rather uninformative. The basic details seem to be there but it looked like many of the information came second handed. Book remains a pretty good introductory effort but I would recommend further research before hiking the trail.

This book offered fascinating insights and a new perspective on Alaskan History.

Mr. Satterfield's guide to the Chilkoot has the ring of authenticity: a reader is convinced that he has been over every inch of the trail. It is well-written and thorough, and offers the right blend of historical minutia (though not so detailed as Pierre Berton's writing) and practical hiking advice. My own copy is well-worn from many Chilkoot miles.
