I have given them to friends and family for years. Also to those who come for prayer at the front of our large church. Great gift for new Christian overwhelmed with beginning to read the Bible. Bonus gift for the graduate, baby shower, birthday, busy mom or dad, etc..... when you feel that person would enjoy the convenience of already 'looked-up' verses on a particular subject.

I bought 100 of these and people appreciate them tremendously I bring them to the nursing homes hospitals I just wish the print was a little larger but many enjoy it and use it along with the Bible study I teach and give more insight and deepen their walk with the Lord

This little book, and God of course through this book, really helped me through these toughest times

in my life. I highly recommend this book to anyone who wants a quick reference from the bible. It is small so you can take it anywhere.

Absolutely love this book! Found it at a Barnes & Noble years ago and ended up buying a bunch to give to my famil members. It's great to go to the topic or feeling and getting verses directly related to what you need.

God's Promises for Everyday is needed now more than ever. It is filled with New Testament and Old Testament verses - filled with Our Lord and Savior's hopes and dreams for us. It is filled with the instruction on how to live Godly and structured lives but also how to enjoy what He provides for us through the giving of His grace and mercies. It tells us that He is a healer, the living God who wants to give Holiness to us as His children through the Comforter- the Spirit and through believing in Jesus Christ and Jesus alone. Sing praises unto the Lord for it is He whom has called you unto this place. "All of you who put your hope in the Lord be strong and brave....." Psalm 31:24 God's Promises for Everyday, New Century Version: Thomas Nelson 1987,1988 ,1991 USA

This a great book for topical scripture reference, especially for new believers. The wide variety of topics address almost any question of faith and circumstance life. Each section provides many verses to provide answers, guidance and comfort.

I've had this for many years - given to me as a gift. And I've given it as gifts. I gave one to the girl I mentored through confirmation (along with a Willow Tree Prayer of Peace), and another to a friend who was having a hard time hearing God's guidance. One of my favorite aspects is the directory of what passages to read (included) based on how you're feeling or what challenges you're facing. So whether you're having financial difficulties, you're jealous that your colleague got a promotion, no matter what it is - you'll be guided to passages that speak to those issues. This is a must-have for all Christians. While my bible is readily available at home, this sits readily available on my desk at work. I can't tell you how many times I've turned to it, for myself or a friend.
