Frommer's Puerto Rico (Frommer's Complete Guides)

Synopsis

Written by a travel writer and city news reporter based in San Juan, Frommer's Puerto Rico gives you an insider's view of the island, with updates on the newest developments and best local experiences. We'll point you to a gorgeous white-sand beach that only locals know about, give you the scoop on both upscale dining and roadside nosh pits, and we list the best places for snorkeling, hiking, golf, sailing, and deep-sea fishing. You'll also get a complete shopper's guide, and up-to-date coverage of the newest nightlife in the region, from casinos to salsa clubs to low-key beach bars. Opinionated reviews. No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations--they tell it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. User-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.

Customer Reviews

Take in the colorful buildings while exploring Old San Juan. See chapter 5. Easy-to-read maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

The information in the book was not what I was expecting. The information was more about old San Juan and San Juan.

For those of you planning a trip to Puerto Rico, I have to say this is one of the best guides I have ever seen. Coming from someone that was born and raised in Puerto Rico, is a good suggestion. I tested the information on this book on some of my many visits to the island and is darn accurate. I actually still use this book every time I go to PR because there are still places I haven't been or visit.

I keep forgetting how much I don't care for Frommer's guides and wind up buying another one. 1. Frommer's has next to no pictures. 2. I think somebody went to a couple of random restaurants and beaches and decided to call them the "Best of". For example, Frommer's says there is snorkeling at Luquillo beach, but there is none (unless all you want to see is sand). Luquillo is a great beach for swimming, but the snorkeling sucks. Another example is the restaurant in the southeast part of the island called Tulio's. While it is a nice restaurant and our food was good, it is not cheap. At least I don't consider \$20 a plate cheap.

There were many errors. Restaurant names were incorrect and in some cases not in business any more. Further what was recommended as good turned out to be really bad. I have used Frommer's for many years (happily) and this was particular edition on Puerto Rico was the worst.

I didn't realize the book was just a top ten in various categories book. I have enjoyed other Frommer's ones much more.

Great information!

Great book

good book its informative and shipped fast
