"Veritable page-turners - excellently written and bursting with character... an entertaining read' - Holiday Which"

Dana Facaros and Michael Pauls are passionate about Europe and have written over 40 books for Cadogan, including the Italy guide. They have lived all over Europe, but are currently settled in an idyllic farmhouse surrounded by vineyards in the Lot Valley, France.

informative, well written guide

Was not close to what I expected. Could have included a few regional recipes.

Terrific for those who need to play with the brain when they don't have the brawn!
