Clothes Minded (Sew Zoey Book 11)

Synopsis

Zoey always tries to keep an open mind about clothes. Can she do the same for people, too?

Includes 10 blog posts and fashion illustrations. In the eleventh book in the Sew Zoey series, Zoey Webber thinks she's helping when she gives advice to a boy who has a crush on her best friend Kate. Zoey tells him to wear a soccer jersey from Kate's favorite team, assuming that Kate will like him better if he gets into sports. Kate finds out and feels betrayed that Zoey thinks she is so closed-minded. Meanwhile, Zoey helps her new friend Sean start a fashion club at school, promising to allow anyone to join. But when someone unexpected shows up to the first club meeting, Zoey struggles to stay true to her ideals and keep her focus on the clothes. Could Zoey be the one who is closed-minded, after all?

Customer Reviews

My just-turned-11-year-old daughter and I are still enjoying this series. I believe we are nearing the end of the series, which is probably for the best, as she is ready for a more mature level. We have promised to pass the series on to her school library. I think a lot of grade school level girls would

love reading them.

for my daughter...she disappeared for two days until it was completely read & reread
