Shipping Weight: 1.8 pounds (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 3 customer reviews

Best Sellers Rank: #3,761,193 in Books (See Top 100 in Books) #40 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Medals](#) #7234 in [Books > Reference > Encyclopedias & Subject Guides > Antiques & Collectibles](#) #100399 in [Books > History > Military](#)

## Customer Reviews

Format:Hardcover Medal collectors and military history enthusiasts will find this book to be a useful source of reference. It describes most of the British Army Campaign Medals which were struck and issued between 1793 and the present and provides an interesting synopsis of the campaigns which were fought and the histories associated with each medal. Finally the book is nicely illustrated and contains photographs of some very fine specimens. A first class buy. --A Customer  
This without a doubt is one of the best books on sale dealing with British Army Campaign medals , the author gives little pen pictures of the battles for which a medal covers the coloured plates are superb I am so very pleased to have it on my book shelf Well worth having to any one who studies British Military history as well as medal collectors. A MUST HAVE BOOK. --Clive Dickens  
As a long standing collector of British military medals ...I found this title to be one of the better books I have read on the subject. Included are some good quality images and descriptions of original campaign medals as well as a short summary of the conflict or operations for which the medal was awarded. The only thing this book lacks is information for collector's on the actual past-time of medal

collecting itself with information on buying, selling, displaying, etc. etc. which would have made it a true collector's guide. Nevertheless it is certainly worth buying. --A Collector

Great book on British Medals

This book is poorly researched. Its missing The Air Crew Europe Star from WW2- a puzzling omission being its the rarest of all the WW2 Stars. Colour pictures of the Ribands is not good- dont rely on these colours!. Not enough background on the medals and what the colours on the Ribands represent. No mention as to why there are only 2 WW1 stars (they were not issued after 1915 as the soldiers were all considered to be 'conscripts' and not worthy of a Star) etc. A very basic book- for raw beginners only!
