Matchbox Toys: The Tyco Years 1993-1994 (A Schiffer Book For Collectors)

Synopsis

The wide range of exciting Matchbox die-cast toys produced after Universal transferred company ownership to Tyco (America's third largest toy company) are presented here with a detailed, incisive text explaining the variations, the number code of all the toys, and brilliant color photographs. Included are additional toy lines including Harley Davidson motorcycles, Thunderbirds action figures, Live N Learn preschool toys, and the Crash Dummies. Toys distributed by Matchbox* for other companies are also illustrated and discussed.

Customer Reviews

For the past twenty-five years Charlie Mack has collected Matchbox toys. He has written three previous Matchbox books and is the founder of Matchbox Museum in Durham, Connecticut, and the editor of a national Matchbox collector's magazine.

Me encanto el producto, el despacho y tiempo de llegada. El libro como tal tiene informacion muy clara y valiosa para cualquier coleccionista Matchbox! Muy buenas fotografias y contenido. 100% satisfecho!

The fourth in a series of books, "Matchbox - The Tyco Years, 1993-1994" is mind-bogglingly exhaustive in its completeness. It delineates every single Matchbox product issued in the short

two-year period since the purchase of the brand by Tyco. It's only shortcoming is that the price guide, variation list, and pictorial guide are three separate sections, meaning the reader must flip back and forth to cross-reference. The book's author Charlie Mack has arguably the largest Matchbox toy collection in the United States, perhaps in the world. Last count was over 18,000 different specimens! They can all be seen in his museum in Durham, Connecticut, by appointment only.
