# Instant Conversation English For Spanish: Learn To Speak And Understand English For Spanish With Pimsleur Language Programs (Conversational) (Spanish Edition)

## Synopsis

El Método Pimsleur es el programa de aprendizaje de idiomas más eficaz de la historia. Con Pimsleur usted domina rápidamente la estructura del idioma inglés sin tener que someterse a ejercicios aburridos. Aprender a hablar inglés termina siendo una experiencia amena que le llena de satisfacción. La gente sufre al aprender un idioma más que todo porque la instrucción es deficiente...solamente enseñan el idioma a medias. Otros programas de enseñanza de idiomas sólo venden pedacitos del idioma: diccionarios, libros de gramática con instrucciones, listas de centenares o miles de palabras con sus definiciones, y casetes de audio con ejercicios inútiles. Luego queda en manos del alumno buscar la manera de ensamblar todos los pedacitos para conversar. Con Pimsleur usted se dedica a aprender a hablar el idioma y no a estudiar sus componentes. Cuando usted aprendió español, ya sabía a hablar antes de saber conjugar verbos, ¿cierto? Por supuesto que sí. Ese proceso de aprendizaje natural es lo que Pimsleur emula. Pimsleur presenta el idioma como una unidad integral para que usted aprenda sin contratiempos. Millones de personas han aprovechado el Método Pimsleur para adquirir destrezas conversacionales verdaderas en uno u otro idioma con rapidez y facilidad, donde quiera y cuando quiera...sin libros, sin ejercicios escritos y sin repeticiones sosas. ; Inglés conversacional incluye las 10 lecciones del Inglés Básico de Pimsleur, más 6 lecciones más.

## Book Information

## Customer Reviews

"Pimsleur programs provide plenty of positive reinforcement that will keep learners on track, and we found that Pimsleur gave us more proficiency and confidence in speaking the new language than any of the other language programs we reviewed." -- AudioFile Magazine"EXTREMELY ACCESSIBLE...each section within the lessons is short enough to hold our attention, and there is enough repetition to teach even those who consider themselves slow learners...Pimsleur [programs] are extremely thorough and easy to use -- quite lively!" -- Boston Herald"Learn French while commuting, German while jogging, Spanish (or Russian, Italian, and Japanese) while cooking all with NO WRITTEN MATERIALS!" -- New York Daily News"Designed for the ear and not the eye...the lessons provide PERFECT 30-minute bites of work." -- St Louis Post-Dispatch"Learn to habla espaÃ±ol or parlez franÃ§ais before your next trip aboard. The interactive LESSONS CHALLENGE STUDENTS to use new words in conversation instead of memorize them." -- American Way (American Airlines inflight magazine)"I tried other language programs with little success...This is the best by far!" -- Pamela A. Mitchell, Pilot, International Society of Women Airline Pilots

Dr. Paul Pimsleur devoted his life to language teaching and testing and was one of the world's leading experts in applied linguistics. After years of experience and research, Dr. Pimsleur developed The Pimsleur Method based on two key principles: the Principle of Anticipation and a scientific principle of memory training that he called "Graduated Interval Recall." This Method has been applied to the many levels and languages of the Pimsleur Programs.

A big hit with my newly immigrated friend.

Es un muy buen curso

Excellent

excelent product

It twas a gift,rumor has it,that is was very good

very good thanks 100% recomended

I gave this to a nice janitor at my office, it didn't help him too much but he was very appreciative. He said he listened every night and tried to practice but it didn't help him too much.

The Spanish only friend I bought it for was not willing to do any of the work involved to learn English.
