Delivered as promised

History buff and these books are great reading.

This was exactly what I was looking for. My husband is a big civil war buff. He said that this was the best condition that he has ever seen these three books. He is reading them all the time now. Thank you for such a great deal. And the delivery time was great.

It was a gift for my dad and he loved it!!! Thank you.

One of the best

Has some insights but the author is not exactly objective in his comments.
