Rhonda Byrne is the author of the New York Times bestseller *The Secret*. A former resident of Melbourne, Australia, she now lives in California.

I like this little book a lot but i think i will be regifting it as reading pages of The Secret book on a daily basis is enough for me. The only reason i give it four stars is because theres really no way to flip the pages and keep them flipped. Its intended for each page to be torn off everyday and while i can think of a million different ways to use the pages i just wish it were a spiral so that i could reuse it year after year.

Love all of Rhonda Byrne's books! This one is so nice brace you can read a page or two and close it and feel amazing! I always feel so happy when I read her words and those inspirational quotes. I think she will achieve her dream to bring joy to billions!

Seriously perfect size for any desk.. the hard cover flips over to make a stand.. and pages easily to come out to bring with you on your day..

Even if I read the same book everyday, you will always find some circumstances that will push your beliefs. These readings will help you to keep your thoughts and feelings on the right track. You can keep the order of the days, but it is also great when you find the message of few days ago, helps you in the present. Very helpful. Part of my daily routine.

wonderful wonderful book, everyone should read this. Changes your life in no time.

such great daily reminders to stay on a positive track....love the idea of not ripping out the pages and just bookmarking them every day so you can just keep reusing year after year!

Very inspirational, it's def changed my life and everything it said would happen in my life, it did!! I highly recommend you buy this book, it will surely change your life for the better!!

Very good positive book. Very compact, short and precise. Very good addition to the list of Rhonda Byrne's books.Recommend reading
