## Customer Reviews

Author of more than thirty-five books with millions of readers worldwide, American Paul Twitchell introduced the spiritual teachings of Eckankar in 1965. He toured the globe teaching how people today can reestablish contact with God. His books are spiritual classics.

This was supposed to be a discourse, thought, on Paul Twitchell's teachings, supposed to be given DIRECTLY from Paulji Peddar Zasq himself, i was very disappointed with the voice dubs here and was expecting the real deal, at the very most, this cd set sheds clearly known information on some teachings of Eckankar, but again, i was looking for the original teachings given by Peddar Zasq, (Paul Twitchell), himself and was very displeased when this arrived.

Without naming them, includes the philosophy of Law of Attraction, psychology of Positive Thought, instructions for Creative Visualization, how we create our own reality, how to train yourself to have shortcuts for manifesting your dreams and being of service to the divine. I recommend it for anyone interested in spirituality and/or the above. This audio is well paced and read. The CDs are perfect

for listening to while driving.

My husband and I started listening to this audio book of The Flute of God and we just can't get enough. We feel uplifted, more aware and positive each time we listen, even if for only a few minutes. Love the recording, the voice-over is melodic and engaging. Even if you do not grasp all the concepts at first, don't worry! We just keep listening! It is delightful and it all just comes together so perfectly. It is so easy to listen and learn amazing principles and how the universe works.
