Author Harold Klemp is known as a pioneer of today's focus on "everyday spirituality." He was raised on a Wisconsin farm and attended divinity school. He also served in the US Air Force. In 1981, after years of training, he became the spiritual leader of Eckankar, Religion of the Light and Sound of God. His full title is Sri Harold Klemp, the Mahanta, the Living ECK Master. His mission is to help people find their way back to God in this life. Each year, Harold Klemp, speaks to thousands of seekers at Eckankar seminars. Author of more than one hundred books, he continues to write,

including many articles and spiritual-study discourses. His books have been translated into more than 18 languages. His inspiring and practical approach to spirituality helps many thousands of people worldwide find greater freedom, wisdom, and love in their lives.

Those Wonderful ECK Masters helped me understand an unexplained, dramatic experience I had decades ago when I was a very troubled teen. I now know who the "mystery man" (like a guardian angel) was •Yaubl Sacabi, one among the many ECK Masters, who protect and guide individuals from all backgrounds, cultures, ages, and faiths. He encouraged me to carry on, and I am glad now that I did. This book has many real-life stories about eleven, among many more of these ECK Masters, who teach how to improve health, relationships, and finances; interpret one's dreams, recognize the source of and solution to problems; overcome fears, gain self-confidence, and bring more love, wisdom, spiritual freedom, and happiness into everyday living. I found out that these ancient and modern ECK Masters work willingly, efficiently, and quietly with individuals who want to know higher truth, to discover their own mission, and to create their own destiny. I am very grateful for these ECK Masters and for this book.

Wow, I love it. Combined with the Shariyat-Ki-Sugmad, you have a complete source of the ECK Masters that are available to assist you with Soul Travel and exploring all of the planes of existence. The ECK Masters can personally help each of us return to God and become Co-Workers with God. Wonderful stories of the Master's lives and examples of their assistance with everyday problems of life on the physical plane.

Religion/one's spiritual teaching is a matter of real personal preference. What do we as Soul "harmonize" with? Not everyone is in a place where these ECK (divine spirit) teachings make sense and bring out our spiritual love even more. I believe it takes some sincere inner practice and questing to experience the ECK Masters. And they may not be directly experienced - for now. That's fine. Genuine spiritual adventure is never proven outwardly. No point in arguing about it. All paths have their places in the scheme of things. Try the spiritual exercises - with open heart and mind. See what inner treasures might open for you. I have found that these masters have helped me open to some unforgettable experiences of God's Light and Sound. As a friend once said in conversation, "It's kinda' subtle...." Whatever path you're on now, you can check out these teachings. See what happens!

I've worked with these masters for many years. They are real. My life changed dramatically when I discovered the Eck Masters via "The Spiritual Notebook" by Paul Twitchell. They are indeed WONDERFUL, beyond words, for the deep love, healing, insight about past lives, and protection that came to me as a result of working with them.

Terrific and fascinating.

The ECK Masters have always walked the planet helping those in need and teaching students that were ready and open. These Masters go back to the beginning of time. They are known as the "Vairagi Masters" which means Masters of detachment. They have reached a state of God Realization and are here today to help those who want it and ask for it. A person needs to ask for their help because like a stranger, they will not enter unless invited. However, it is possible to meet these Masters in the dream states, or in states of contemplation. They are here to help. This book describes several of them going back in time. It is simple and practical. High recommendation.

I have been fortunate enough to have had a few encounters with ECK Masters myself in the physical over the years. These are experiences you never forget. This book is full of such stories. The stories are amazing, touching and uplifting. The appearance of one of these Saints in your life is always a blessing and often miraculous in its timing and purpose. This book brings home the reality of these experiences. It makes you look back on your own life to recall meetings with strangers that you may examine in a whole new light. It also shines a positive light on the path of ECKANKAR. Anyone curious about this unique religion would be well served by reading this worthwhile book.

This is a wonderful book that introduces the seeker of God to the spiritual giants who are ECK Masters. The author, Harold Klemp, choose to mention only a few and to give examples of those who seek Truth and God. Those ECK Masters that are mentioned are known to many who have had experiences with them regardless of faith. There are many more than are in the book. But, I consider this book to be an introduction to the ECK Masters NOT a comprehensive book of all the ECK Masters. It's a wonderful book as an introduction to the ECK Masters and to the Eckankar religion. I highly recommend it.
