Frost, Robert S. - Christmas Kaleidoscope - Violin - Neil A. Kjos Music Co.

Synopsis

Familiar Christmas tunes are presented in multiple option scoreformat: one melody line, and two different optional harmony lines. ChristmasKaleidoscope is available individually for violin, viola, cello, bass, andpiano, and all the parts are interchangeable, allowing for a variety ofcombinations. For more great holidaysongs in the same format, check out Christmas Kaleidoscope Vol. 2. Frost's Christmas Kaleidoscope Collections are a favorite of mine for the winter holiday season. The collections are set up to work as a solo, duet or trio and are available for violin, viola, cello, and bass. They are a great selection for a beginner student working their way through a book one method book. It really is a special treat for a student to play Christmas duets with their teacher or friends during the holidays. You can't go wrong with the price; they are so low a teacher could afford to purchase them as a gift for their students. Alexandra, violinist For contents, see Features/Specs

Was not surprised at the book and it's contents - it is a replacement for one I have misplaced. It was received quickly, as indicated it would be, well packaged so no damage.

Title says it is for Violin and fine print in upper right corner also clearly says Violin. Item received is for Cello.

my son is not a particularly skilled or experienced violinist. 13 years old working on Suzuki book 3. But he was able to play all of the songs he at least recognized (most of the songs in book 1 of 2) on first reading and got better with practice.

For a beginning student, this book was very helpful and were used already for lessons and party of recital for beginning students. The book arrived very quickly.

Great for a third year student in public schools. My daughter enjoyed playing these songs with her school orchestra.

Perfect Christmas fun for a first year Violin student.

This is for my grandsons who take violin lesson and it was very helpful. Thanks very much for the fast shipment.

Great
