Infinity  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{A}$  by author Emily Bold, there is so much to say about the conclusion. This novel series was originally written in German so I had to wait patiently (actually anxiously) for the American-English version which was hard to do because the first two novels just progressed in such a breathtaking kind of way. The storyline, these characters, and the way it travels from the present-day to the past, has all been written in such a beautiful and magical way. This third novel ended perfectly and will leave readers feeling full-filled completely. This novel was written in five P.O.V. $\tilde{A}f\hat{A}\phi\hat{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{\mu}\phi$ s(point of views) from Samantha, Payton from both the Past and the Present-day, Nathaira, Alasdair, and Sean..Samantha Af¢A â ¬A Å"SamAf¢A â ¬A Å•Watts has returned to the present day from seventeenth-century Scotland. The curse that was put upon her love, Payton McLean, was finally lifted. Their happiness should  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}\phi$  telt wonderful now that they could be together for good. It should feel like their  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$  A"Happily ever after  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{A} \cdot$  but it has  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}$ t been that easy. Payton is able to finally feel again after so many years under the curse but it has  $\tilde{A}f\hat{A}c\hat{A}$   $\hat{a} - \tilde{A}$   $\hat{a}$  of been so good for his relationship with Sam. The heartbreak he suffered after Sam left him hundreds of years ago, still lingered in his heart. Sam had to leave to return to her time but it was becoming hard for Present-day Payton to forgive her for the pain he felt from the past. Sam has also been carrying her own pain from the past, that she can $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}_{\mu}\phi$ t shake this need to return to that time in order to fix mistakes that were made. When Sam returns to the past, not completely by her own choice, she sets out to correct what she can while trying to stay alive and unharmed. When Payton realizes that Sam has gone back to the past, he follows his love back to that time to bring her back with him. His only worry is making sure not to run into his past-self. Can he fix a few issues he left unsettled upon his return? Can Sam and Payton beat the test of time, once and for all or is their love destined for heartache? Will danger and vengeance seek them out causing them more problems? And can forgiveness give them the peace they seek in order to love without the weight of those past choices?This entire series has been a phenomenal journey, with breath-taking moments, and heart-wrenching growth between the characters through out the story. Everything that was left in question, unravels in such a marvelous way and everything is settled, one way or another. The author blended the time differences in such a smooth and beautiful method. This novel has such depth that I really hope no one turns away from it because it falls in the YA(Young Adult) genre because it goes well beyond that. Bravo, on this conclusion. I really hate to see it end but the ending

was still perfection! Check this one out. I highly recommend this novel and the entire series. It $\tilde{A}f\hat{A}\phi\tilde{A} = a - \tilde{A} = a_{,\phi}cs$  definitely a  $\tilde{A}f\hat{A}\phi\tilde{A} = a - \tilde{A} = a - \tilde{A}$ 

I really enjoyed the first book of these series, so I ordered the other two. Both the first and the second were great. I was really surprised with Piece of Infinity's changes. The writing is good, the story interesting, but why did the author suddenly included sexuality and violence in the story. It really was not necessary to use sex, rape, gangs and filthy language to tell the story. I was planning to buy the series for my three teenager granddaughters but forget it. I will not buy any more of this authors books... what a shame.

Oh my, these books are so well written! I was on the edge of my seat the whole time! What an amazing love story! This series is a must read!!
