Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." -Booklist "Fodor's super-informative guidebooks are known for accuracy and attention to detail..." -The Sacramento Bee "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." -Chicago Tribune "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the top series in the business." -Booklist "Fodor's can help you plan the perfect adventure" -The Arizona Republic "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" -Mid South Magazine "Widely recognized as the gold standard of mainstream travel" -Honolulu

Advertiser

This is a good travel book for Australia, and hits all the highlights. We usually are Rick Steves fans, so this book lacks a bit of that personal touch that his have, but it's a good starting point with good information. I would couple it with online and trip advisor research.

This was a pretty terrible travel guide. Instead of including tidbits and history, its full of tourist spots. The maps are not very detailed and there are no city maps. We ended up buying a different guide once we got to Australia because this was lacking so much information. I'll stick to Lonely Planet in the future.

It is a little difficult to move around and find information in the book, probably better to have a guide in paperback.

A nice copy but missing the map that was supposed to come with it, Fodor is best for travelers with money.

In good condition. I really like using Fodor's..

Way behind in the information.

Comprehensive guide book.

Very thorough.
