Customer Reviews

“When it comes to nutrition, I hesitate to use the word ‘perfect’. Yet when one book provides recipes for mouthwatering, delicious food that gives your body the nutrition it needs, there’s no better word to use. This truly is the ‘perfect blend’ of what you want and what you need.” Ashley Koff RD, award-winning dietitian “I’m constantly looking for more innovative, fun, and delicious ways to incorporate veggies into my family’s diet, and the incredible recipes in The Perfect Blend give me just that opportunity. Tess’s approach to clean, gluten-free, and dairy-free eating never sacrifices flavor and always maximizes nutrients.” Danielle Walker, New York Times best-selling author of *Against All Grain* and *Meals Made*

Simpleâ œThe Perfect Blend brilliantly captures the currentÂ mood of the wellness world with chapters thatÂ focus on alkalizing, detoxing, energizing, andÂ boosting immunity. Tess effortlessly guides andÂ inspires us through recipes that look gorgeous,Â taste amazing, and hit every flavor note. TheyÂ are refreshingly approachable and perfect forÂ everyday nourishment.â • â ” Amy Chaplin, James Beard awardâ “winningÂ author of At Home in the Whole Food Kitchen”Masters’s latest book proves the blender is still the tabletop appliance that can do allâ ”andÂ we’re not just talking about smoothiesÂ (though we can’t wait to make that avocado daiquiri). You’ll learn how to use it for heartier fare like cauliflower-based Tricked-Up Tabouli and a handful ofÂ vegan cheeses.”Â â ” Abby Reisner, Tasting Table

Great recipes

Tess Masters did it again! Love all the recipes and they are super simple to make with every day ingredients!

Tess Masters does it again! Each recipe is delicious and makes you feel wonderful since you are eating healthy. It seems this winter everyone has been getting sick except me. The daily recipes I

use in this book have kept me feeling great and illness free. Thanks Tess!

Sooooo good! I found Tess by accident on Pinterest and was intrigued. I've ordered her books including this one and love every recipe I try. It's so wonderful to find cookbook that fit a busy lifestyle with health, with enough recipes for those wonderful slow days you're home and want to cook. My pantry just got so much simpler and healthier.

Awesome, awesome and more awesome recipes!!

Another Blender Girl book for my collection! I love it! Tess Masters is genius at creating, simple, delicious vegan and superfood recipes that satisfy the appetites and tastebuds of ALL eaters. I love how this cookbook is sorted into health goals - Energy, Immunity, Detox, Ant-Inflammatory, Probiotic Promoting, etc. Favorite recipes include Sesame Soba, Sweet Potato and Macadamia Magic, a vegan version of my favorite Mexican drink, Horchata and, of course, Life Changing Chocolate Pudding (I've got a sweet tooth!) Since I am a Vitamix heavy user - all Tess's cookbooks are in heavy use, as is her smoothie app, and web site. If you want to be well-fed and healthy, I highly recommend you get hooked on the Blender Girl, too!
