The Watercolor Painter's Pocket Palette

This is a good book for learning how to mix colors and learning which colors when mixed will achieve the desired effect. It has very good pictures of mixed color combinations and color palettes. It is a quick and easy color resource.

I will use this in the watercolor classes I teach - it a handy resource and well done.

Useful!

Brand new condition. Great book. Bought one for myself and another for a friend.

This is a great help in selecting the right paint.

Sent to my sister and she said the product was in very good shape.

This book is very helpful in mixing the exact right color. I like the way the colors and their mixes are displayed. Extremely helpful. Saves time and eliminates mistakes.
