Customer Reviews

The U.S. Navy pursues its mission to maintain, train, and equip combat-ready Naval forces capable of winning wars, deterring aggression, and maintaining freedom of the seas. The organization is headquartered in Washington, D.C.

Awesome book.

Very interesting.-

Excellent book for those studying what it takes to be a Sniper for the Navy SEALs. Plenty of charts, maps, and information on learning tricks of the trade. Cheers

Great read for someone with zero experience that wants to know more(sentence filler filler filler filler filler filler sorry)

Cant wait to use the skills that I should learn from this book. Thank you and God bless our troops

Filled with typographical and spelling errors.Written in as dry a manner as any document ever written.It was like reading a 1980's VCR manual translated from Mandarin by a Taiwanese engineer.That said, I will heartily agree that it is a good source of information on the subject of sniping, ... if you are a SEAL Team member.

I am a SEAL Sniper Instructor and this book is a crock. We hold our training manuals in close regard and they are not for purchase. Buy this if you want to waste your

\$\$\$\$

From the first step to the last in sniping, no words just read it.
