# Harley Quinn's Greatest Hits

## Synopsis

Get ready for this summerâ <sup>™</sup>s most anticipated movie SUICIDE SQUAD with the comics that inspired the film, including fan-favorite character Harley Quinn! Â Love makes you do crazy things. And Suicide Squad member Harley Quinn is madly in love. Â After springing her psychotic killer boyfriend, the Joker, from Arkham Asylum, former psychiatrist Harleen Quinzel put on a clown costume and said sayonara to sanity. Now Harley brings her own unique brand of psychosis and revelry to whatever she does, whether itâ <sup>™</sup>s causing mayhem alongside her beloved Mistah J., saving the world as the nuttiest member of the Suicide Squad, or relaxing with her gal pals Poison Ivy and Catwoman. With her deranged mix of fear and fun, she knows how to leave a crowd in stiches! Â HARLEY QUINNâ <sup>™</sup>S GREATEST HITS collects eight of the lovesick lunaticâ <sup>™</sup>s best stories from such talented writers and artists as Paul Dini, Bruce Timm, Jim Lee, Jeph Loeb, Amanda Conner, Jimmy Palmiotti, Scott Snyder and more. Â Collects BATMAN ADVENTURES #12, BATMAN #613, COUNTDOWN #10, GOTHAM CITY SIRENS #7, SUICIDE SQUAD #1, BATMAN #13, HARLEY QUINN #21 and HARLEY QUINN AND SUICIDE SQUAD APRIL FOOLâ <sup>™</sup>S SPECIAL #1.

### **Customer Reviews**

Ever since being introduced to Harley Quinn I've quickly become a huge fan. I'm finding myself buying numerous titles, and one of which was this one...and Batman: Harley Quinn. And I honestly feel that the latter has the better stories, not to mention length. True I enjoyed the two issues drawn by Jim Lee and a Gotham City Sirens issue by her best writer, even the cover of the book was nice to look at, but that's about it. That is all I got from it. There are great Harley stories out there but most of these just don't reach her potential and aren't memorable. The one with Deadshot thrown in in particular was a bit of a drag to get through for someone who doesn't follow the New 52 Harley, perhaps due to the context of it in its original place in the story and timing. It was not meant to stand alone and this is painfully clear as you read through it and become lost in what exactly is going on. Outside Suicide Squad #1, 'Tease' was the same way. With Batman: Harley Quinn you could just jump in practically all the stories and enjoy them without much background knowledge of what was going on at the time. Personally I think the second Injustice chapter with Harley making fun and just talking to Green Arrow would have been a pleasant issue to include in a book aiming to collect her greatest hits, or even that LootCrate edition Harley Quinn comic. Heck, how about Harley Quinn #0, which was not only funny but took the talents of almost twenty artists! How was that not included?! I detest that version of Harley but found myself able to enjoy both of these issues regardless my extremely strong preference to the original classic Quinn. They stood alone for the most part and were pretty funny. So...with all that said, for someone who wants to read some of the best Harey Quinn stories before Suicide Squad comes out in theaters, buy Batman: Harley Quinn and definitely check out the Harley and Ivy: Deluxe Edition that came out this year as well, or any issue with Paul Dini stamed on there. If you donâ Â<sup>™</sup>t mind the new version of her, her specials are considered good, and as I said before, the LootCrate comic was a nice read as well as issue 0. Then there's her video game appearances.....Man, so many routes to pick, but this one is not the best crash course.

If you are a fan of Harley, then you might have read some of the stories before, but the inclusion of one of the more expensive Batman comic book stories when Batgirl meets up with Harley is worth the price of the book itself.Buy this book!!

Has good selection of Harley stories, if your a Quinn collector you might already own a few of them. Still well worth the purchase. You get poison ivy,cat woman,the squad,end game joker and so many more... one thing even though this is Harley Quinn blook you do NOT get her origin story the only one that has it is MAD LOVE.

As a friend I do my best to pay attention to their interests. When your friend enjoys Harley Quinn like most comic book fans, its fair game to find good Harley Quinn stories. I only bought this as a birthday gift for a friend of mine in Idaho. She informed me that really enjoyed this graphic novel. I

figured she could use new reading material.

My daughter loved it! She read it in one day, and wanted more. It was beautifully illustrated.

My girlfriend is in love with Harley Quinn and she was beyond excited. Everything was awesome in terms of response and shipping

Had many titles and lots of Harley's fun adventures. I love that the joker is In the comic as well.

Its a fun little best his compilation but many of the stories lack the context and if you don't own all the books you're kind of lost, if you do this is pointless. Still a fun read though.
