Fruits Basket Collector's Edition, Vol. 2

Synopsis

When she was living in a tent pitched on the Sohma family's land, Tohru Honda's primary concerns were dirt and slugs. But now that she's living with the Sohmas, she's gotten a crash course in magical powers and ancient curses! And as if keeping the Sohma clan secret wasn't bad enough, Tohru has to work overtime to prevent all the jealous girls from finding out that she's living under the same roof as the school prince, Yuki, and the school hothead, Kyo! What new drama will Valentine's Day bring into Tohru's life?!

Book Information

Series: Fruits Basket Collector's Edition (Book 2)

Paperback: 376 pages

Publisher: Yen Press; Collectors edition (June 28, 2016)

Do not walk, do not run - fly out and get it. -- AnimeOn DVD.com --This text refers to an out of print or unavailable edition of this title.

Story by NATSUKI TAKAYA. Anime also available. The #1 Selling Shojo Manga in Japan! #1 most requested Manga in the U.S.! Inspired the Hit Anime! --This text refers to an out of print or unavailable edition of this title.

Fruits Basket was my introduction to the world of Manga. Volume 1 introduced the emotional and dark but funny members of the Somah Clan, as well as Tohru Honda, the naive and somehow always cheerful main character. Volume 1 gave us the background of this story, but by volume 2, I expected some growth in the characters, and a more developed storyline (this is where my rating of

3.5 stems from). Honestly, I felt at times like I was watching the lives of these characters unfold, VLOG style, only in the form of a comic strip. In volume 2, you learn just a little bit more about some of the characters introduced in volume 1, but in this volume, you meet three more. I must mention here, though the Somah Clan's family history is supposed to be a secret, I sense that Tohru Honda's friends seem to sense something is amiss. No doubt, the fact Tohru Honda resides with them is a bit off...but her friends definitely detect there is more to her story than what she has been revealed to them. This must be the author's way of thickening the plot (which I am game for, as long as the plot is MOVING). I will not give up on this series as I actually like the characters and their lives are in fact, intriguing, but I hope volume 3 is more interesting.

I want to give this 5-stars, but my copy had printing errors on several pages at the beginning, black splotches. At first I thought to return it, but examination of a local bookstore's stock revealed the same problem on all copies. Did anyone else encounter this? Is it present on all copies? The manga is otherwise fantastic, a great repackaging of a beloved series, but I wish it were unblemished.

My daughter adores these books. ALL OF THEM.

Absolutely beautiful. Recommended for beginner fans and die hardship alike. It's just so nice, I don't want to read it in fear of bending anything! I got this used and it actually turned out to be higher quality than the one I ordered from B&N.

Love this series so dynamic funny and just so good hearted!

I loved the series the first time I read it and I'm so happy to see it back on the market! (The translation differs slightly but it makes little difference)

I love these special editions of this classic series! :D I love that I don't have to pick up the next volume after I'm done - I can just keep on reading!

it was a gift, and the receiver asked specifically for these books. He was very happy to receive them.
