# Who Moved My Pulpit?: Leading Change In The Church

## Synopsis

Who Moved My Pulpit? may not be the exact question you're asking. But you're certainly asking questions about change in the church—where it's coming from, why it's happening, and how you're supposed to hang on and follow God through it—even get out ahead of it—so your church is faithfully meeting its timeless calling and serving the new opportunities of this age. Based on conversations with thousands of pastors, combined with on-the-ground research from more than 50,000 churches, best-selling author Thom S. Rainer shares an eight-stage roadmap to leading change in your church. Not by changing doctrine. Not by changing biblical foundations. But by changing methodologies and approaches for reaching a rapidly changing culture. You are the pastor. You are the church staff person. You are an elder. You are a deacon. You are a key lay leader in the church. This is the book that will equip you to celebrate and lead change no matter the cost. The time is now.

## Customer Reviews

Thom S. Rainer is the president and CEO of LifeWay Christian Resources, one of the largest Christian resource companies in the world. Also a respected pastor and researcher, he has written more than twenty books and coauthored the No. 1 best sellers *Simple Church* and *I Am a Church Member*. Rainer and his wife, Nellie Jo, have three grown sons, several grandchildren, and live in Nashville, Tennessee. Visit [ThomRainer.com](http://ThomRainer.com) to learn more.

Recent changes at my church resulted in 50% leaving. Wish we had read this first. As a lay leader I could have done more!

Rainer once again uses his years of expertise and statistics to bring practicality to an overwhelming problem. Change will always be constant and there is a proper method to helping shepherd people through the process. A great help indeed!

Good book on change in the church. The author provides some easy and effective ways of leading and issuing in change in the church.

This book is motivational, inspirational, practical, and profound in its obviousness. Its what you already knew you should do, but hadn't seen all at one time. It's not just what you know, it's how you put it together, and Rainer puts it together masterfully.

I bought this book for my son who is a pastor. He thinks this was an excellent book on the subject. He likes Pastor Rainer.

Change management and leadership is a challenging topic in any environment. Translate this task to your church and you have your hands full. This short book is insightful, clear and full of tangible suggestions to help church leaders.

I've enjoyed Rainer's books, and this one hits a home run! He does a marvelous job of encouraging Christians to get busy regarding Jesus's commandment to 'go and make disciples!' It's short, to the point, and skillfully presented!

While the main concepts were spot on, there was an awful lot of redundancy. Now maybe the author was trying to reinforce the concept of repeating the same message until it sinks in. I did like the end of chapter discussion questions. They certainly helped internalize the message. We do have much to think about.
