## Customer Reviews

How 3 couples found love. Wade and Diana, who Wade had loved since the first time that he saw her. Harvey and Alice who married the day she left the orphanage. Wade and Diana's daughter.

I borrowed this book on kindle unlimited. It is wonderful. I bought the book. It is a keeper.

I love Indiana Wake's books! This was a particularly intriguing story as it followed three romances. Just a lovely story of persisting in love.

A trio of lovely interwoven tales of damaged hearts, and the persistent hearts who will never give up on the hope of true love returned. Fascinating characters, original back stories, and satisfying resolutions.

Excellent

Nice short read. Enjoyed the stories, wish they were longer. More about the characters. My first for this writer. Thanks.

Wonderful story. I love clean historical fiction. I order lots of books like this. I also get free Kindle books too.

This was a special story about people finding real love after spending time getting to know each other and the hardships they endured along the way to happiness. The Mail Order Brides were not

sure what they were to do when they were first married. Each lady tried to help the others gain confidence in themselves. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author that always keeps me entertained.
