You can't go wrong with THE CALVIN & HOBBS LAZY SUNDAY BOOK. * DERBY EVENING TELEGRAPH * It makes me wish I'd read it when I was six so I'd have had all the right answers for Mum and Dad's often illogical wrath. * ABERDEEN EVENING EXPRESS * --This text refers to an alternate Paperback edition.

Bill Watterson is the creator of Calvin and Hobbes, one of the most popular and well-regarded cartoon strips of the twentieth century. Calvin and Hobbes appeared in newspapers from November 1985 until Watterson's retirement in 1995. Online: gocomics.com/calvinandhobbes/

Great content! Calvin and Hobbes comics are enjoyable for whole family. However the book is cheaply made. After the second day, pages started falling out of the book. Now a few days later about 20 pages have come loose and have fallen out. Frustrated when you feel your money was spent on poor quality materials.

If you don't enjoy Calvin & Hobbes you're dain brammaged! Sunday comics haven't been the same since "Calvin & Hobbes" departed the scene. While the two main characters are a boy and his stuffed (?) tiger the social commentary and humor are across the board FUNNY! Watterson pokes fun at everything and everyone (especially parents and their urchins of Calvin's age). No matter how bad your day has been... a smile and a chuckle are a page away in any Calvin & Hobbes anthology!

I chose this book for my grandsons to read when they come to visit rather than watch a DVD or want to run their iPads, these comic books of Calvin and Hobbes are doing a fantastic job in this department. Even though my four grandsons have read and read these books, one of the first things that they have come to love to do is to grab the Calvin and Hobbes to read. Thus I try to keep them going with a new one being added to the stack and the old one move to the car for them to read while we are travel. I works like a charm. I would recommend this books to all the young age and those young at heart. Even the young ones who can not read will want you to read to them.

My son loves Calvin and Hobbes.

Great

My sons loved reading Calvin and Hobbes. So did I. After the comic strip had ended, we purchased several of the books so that we could enjoy our favorite strips all over again. Now I have a granddaughter who is old enough to enjoy Calvin and his antics. My son and his wife, and granddaughter, live more than 2,000 miles away from me. Reading Calvin and Hobbes is a way to bond across the miles. I order a copy of Calvin for her, and one for me. When we talk on the phone, we laugh together over our favorite strips. Even though she is under ten, she enjoys the Calvin books, plus the strips make her think about actions and consequences, especially when she has to use her imagination to think about what happens after the last picture in the strip ends with Calvin ready to pounce. Young children can read for fun while pondering the deeper meanings.

If you bought this and didn't give it 5-Stars, then you are odd. Who doesn't love Calvin & Hobbes?

Calvin and Hobbes is great! Fantastic book. Just be warned this a collection from other books, not unique material
