## Customer Reviews

The first one was good and the second one got better! Why 1 stars? Because I finally caught on by the 2nd story that it's a mixture of series books and we get 1st part of each series. However, the 1st

story left off at a good point and the follow up book is the story of the friend. Not bad. BUT what made me stop and just give up was the second story. Because the second story was so good and it just cut off! !!!! Uh, I hate those types of series books!!!! So I went to look for more and the damn link sends me to another, none Kindle, page that ask me questions and wants me sign up. F\* that. I would have paid to continue reading it but no way in hell am I going to sign up on another site I don't know or trust to keep reading this story. So f\* pissed. Plan to avoid any more of these bundles. Don't trust you guys anymore. What are you trying to pull here? Why not just sell it through Kindle? I would have paid!!! But instead you lost my trust. Link read:" Get the next in the series absolutely free in the Shameless Book Deals Free Story Archive! Shameless Book Deals brings you the best erotica at the best prices, in the sub-genres YOU want, straight to your inbox each day, and subscribers get access to the Shameless Book Deals Free Story Archive."

There was several short stories. Hot, different authors, and taboo love. Please note taboo before you get this one. Would read again as well as add a few of the authors to my favorite list.

Love the taboo short stories! Lots of fun ! Outlandish! Crazy fun and sexy! I would recommend to everyone! Awesome!

A great bundle of brand new books from Shameless! I especially loved the stories from Cecilia Lawrence and Scarlett Skyes, absolutely off the scale HOT, some of the best in the genre. Highly recommended.

Amazing

I really enjoyed reading all of the hot, naughty taboo stories in this book. They're short (at least the stories are) & the men aren't. These stories were better than watching porn.

Great naughty stories. If you're into taboo these are the stories for you. Great authors. I will recommend this book to anyone.

All wonderful stories of young girls learning about sex.
