Sheriff (Classified K-9 Unit)

Synopsis

HAZARDOUS HOMECOMING— Witnessing a prison break, FBI agent Julianne Martinez is within seconds of death before she's rescued by the one man she thought she'd never see again. She'd know her long-ago love, Brody Kenner, anywhere, even with a sheriff star on his chest. Years ago she left Texas and Brody, and had no plans of returning until the trail of a missing agent brought her home to both. Brody won't let her investigation proceed without him, and he needs her and her K-9 dog to track his escaped prisoner. But partnering with Julianne to solve two cases only leads to danger when the hunted becomes the hunter. This is a mission that cannot fail because Brody lost Julianne once, and he won't lose her again.

This is a sweet second chance romance. Brody & Julianne were a couple in college. Their youth, trust issues and career choices broke them apart. Now Brody is Sheriff of the county that Julianne, in her role as an FBI K9 agent, with canine partner Thunder, is assigned on a mission. Working

related cases they find the same spark from their past, but also realize they have matured and now respect each other. In an Intriguing plot, these two follow the clues in a convoluted mystery that is fast paced and filled with surprising twists and turns. Danger plagues them but their faith, training and talents provide realistic responses to their dilemmas. This story really shows reassuring support for law enforcement and their canine partners.

The book is filled with a lot of action is well written. It has its share of suspense and mystery. A good book free of garbage.

I have really enjoyed the Classified K-9 Unit series by the various authors--a great publishing idea. It gets several books in the same series out to us in quicker time. Ms. Scott's "Sheriff" did not disappoint. I like the action, surprises, and spiritual emphasis in her great story line!

This is a great book. I love every K9 book I have read, and it was no exception with this one. Very well written and heartily tell anyone who wants to read it, to read it. Great reading.

Sheriff (Classified K-9 Unit) by Laura Scott - I have read all five books in this series (each a stand alone book) and love them all! Plenty of action, suspense and some romance!

I'm actually torn between 4 and 5 stars so I'll go with 5. :) It was a good book and I really enjoyed it and the characters. I'm looking forward to this series continuing.

Read books in this series out of order and still love the series. Really good storyline with fbi k9 officers working with local sheriff's officers
