Veterinary Dentistry: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series)

Synopsis

Dentistry is among the fastest growing areas of small animal practice. In this color review a group of world-renowned experts provide systematic coverage of the subject as randomized self-assessment case presentations in the form of integrated questions, superb illustrations – color photos, imaging diagrams and tables – and detailed explanatory answers. The book is designed to appeal to veterinary students preparing for exams, and to veterinary practitioners in their continuing professional development.
