Synopsis

He is no man of honor. To help his sister heal from a traumatic captivity, Logan Mackenzie reluctantly seeks the Bodyguard Corps' protection. After so many years as a mercenary, he is resistant to live by their code until he rescues a beautiful Englishwoman from a snowstorm. He vows to protect Helena, even though she kindles a desire that threatens to expose his shameful past. Now he must fight to regain the honor he thought destroyed years before or risk losing Helena forever. She is fleeing for her life. When a foreboding vision warns Helena that her life is in danger, she escapes from her Borderland castle to the Highland wilds. Under Logan's care, Helena begins to hope she can trust the scarred warrior with the secret of her curse. When forced to confront the past she abandoned, Helena must choose between surrendering to fate or having the courage to forge her own path with Logan. But will their love be enough to overcome the hidden truths threatening to tear them apart? This full-length Scottish historical romance is part of the Highland Bodyguards series, but also can be enjoyed as a standalone novel. Pick up your copy today!

My library from this author is growing at a fast rate - this is number 13 (not unlucky) of her books I own. She knows how to weave a story, how to pull you into the character's and holds you there. There is much sadness and strife in this story, but also trust, hope and a romance that builds slowly. The secondary character's are another plus and it was nice to meet up with old friends from the Bodyguard. This is a stand alone story, so you don't have to read all the other's first. But, this author is amazing and if you are looking for a new author, I highly recommend E.P. I enjoyed the backstory on our H sister, and hope she gets her own book in the future - hint hint. There is passionate lovemaking, outside marriage and mildly descriptive. There is violence, mistrust, secrets are revealed that don't last the whole story - thankfully. We do get HEA, no cliffhanger, lovemaking, romance and intrigue. Can't ask for more. I am not going into the premise of the story, as the blurb is great. Just what you may encounter reading this great Highlander story. (ljb)

The Promise of a Highlander by Emma Prince is one of those WOW stories. While #5, in this highly anticipated series, "Highland Bodyguards", it can be read as a stand alone. I would however, suggest reading #4, "Claimed by the Highlander" to get more on Logan's backstory, but not necessary, to thoroughly enjoy "The Promise of a Highlander". What a fast paced tale with a most enjoyable cast of characters. Well written with many twists and turns, secrets, passion, healing, danger and romance in a time of great Scottish turmoil, treacherous, intrigue and betrayal. Logan Mackenzie, Helena and Logan's beloved sister, Mairin, are the stars in "The Promise of a Highlander", and what a cast they present. A heart warming, gut wrenching and delicious love story. Logan and Helena's story will take your breathe away, as you learn more of their troubled past, their secrets and watch their healing process. I absolutely loved this story! I was not disappointed in Logan's back story, nor his secrets and the hurt he carried, it helped make him the man he became. Emma Prince has done it again! She never ceases to amaze me with her ability to tell a story and draw the reader into the story. Her characterization, her descriptions and her research of Scotland is magnificent. Another masterpiece! Highly recommended! ! Well done, indeed, Emma Prince!! I can't wait for the next installment. Rating: 5 Heat rating: Mild Reviewed by: AprilR

Loved Logan's and Helena's story. In this book, Logan is finally able to vindicate himself. After a lot of rejection from other members of the Bodyguard and self deprecation, Logan is finally able to find a purpose in life and to show his real honor. Against all odds, he was able to protect Helena and his sister Mairin. Loved Helena's character! Although Helena was scared about her 'gift' and having

people call her a 'witch', she was also a strong woman who was able to protect herself. By teaching Mairin some of the self defense techniques, Helena was able to help Logan's sister get over her horrendous ordeal. At the end, Helena was the heroine who helped save her castle. Can't wait for the next book

Loved this one and was not surprised! I couldn't wait to get the paperback version and as soon as it came I read it! I loved reading how Logan and Helena's relationship came about and especially how Mairin came out of her shell after going through a horrific time in her life. Seeing Helena teach Mairin self defense to give her confidence back. This story had so many twist and turns you just did not want to put the book down. I highly recommend this book, along with the first 4 in the series!

This was a good story, I really enjoyed the fact that she brought back familiar characters from the previous books. It was nice to see Finn and Colin together again. Logan and Helena's story was great. I hope she does something down the line with Mairin and Niall's that would be great! I will keep my fingers crossed.

Wow! As with all of your books it was fantastic. I enjoyed the transformation of the brother and sister and was happy for them. Hope for more although I would like to know more of what's going on with the rest starting from the beginning with the 1st. Series.

Oh my gosh, this is so good! I love the twist and turns the plot takes the reader through. The new characters are well developed and intertwined with the characters in Emma's previous books. You feel like you really know the characters. I can't wait for next one!!

I couldn't wait to read this installment in the Bodyguard series... it was exciting and I just could not put it down!
