H.R.H. (Danielle Steel)

Synopsis

In a novel where ancient traditions conflict with reality and the pressures of modern life, a young European princess proves that simplicity, courage, and dignity win the day and forever alter her world. In blue jeans and a pullover, Princess Christianna is a young woman of her times: born in Europe, educated in America, worried about the future of the world she lives in, responsible beyond her years. Christianna is the only daughter of the Reigning Prince of a European nation that takes its royalty seriously and her father has ironclad plans for Christianna's life, a burden that is almost unbearable. Now, after four years at Berkeley, life in her father's palace cannot distract Christianna from what she sees outside the kingdom—the suffering of children, the ravages of terrorism and disease. Determined to make a difference in the world, she persuades His Royal Highness, her father, to let her volunteer for the Red Cross in East Africa. And for Christianna, a journey of discovery, change, and awakening begins. Under a searing East African sun, Christianna plunges into the dusty, bustling life of an international relief camp, finding a passion and a calling among the brave doctors and volunteers. Finally free from the scrutiny of her royal life, Christianna struggles to keep her identity a secret from her new friends and coworkers—even from Parker Williams, the young doctor from Doctors Without Borders who works alongside Christianna and shares her dedication to healing. But as violence approaches and invades the camp, and the pressures of her royal life beckon her home, Christianna's struggle for freedom takes an extraordinary turn. By a simple twist of fate, in one shocking moment, Christianna's life is changed forever—in ways she never could have foreseen. From the splendor of a prince's palace to the chaos of war-torn nations, Danielle Steel takes us into fascinating new worlds. Filled with unforgettable images and a remarkable cast of characters, H.R.H. is a novel of the conflict between old and new worlds, responsibility versus freedom, and duty versus love. From the Hardcover edition.

Customer Reviews

Poor Christianna, princess of Liechtenstein. Fettered by duty and tradition, her existence is an "achingly boring" slog of ribbon cuttings and state dinners, further straitened by her ever-present retinue of bodyguards and the specter of paparazzi. She longs to do something meaningful with her life; opportunity knocks when she gets a chance to volunteer at a Red Cross AIDS clinic in Africa. Bodyguards in tow, Christianna ministers to the diseased, while colleagues and African peasants alike bask in her royal glow: after all, "she was both grace and gentleness itself." There's even a handsome Doctor Without Borders to fall in love with, but alas! her father forbids her to marry a "commoner." There are further obstacles, and further global adventures. The cast is bland, the incidental shopping perfunctory, the sex tasteful and appropriate. Christianna's cousin Victoria "ditzzy and decadent in her jeans and tiara" makes a tantalizing cameo, but Steel (550 million copies sold) spends a great deal of time on the details of Christianna's jet-set activism ("she stayed away from dairy products in Africa"). The latest novel by the prolific Steel follows the fortunes of the young, wealthy, and beautiful Princess Christianna, the cosseted daughter of the prince of a small European nation. Returning to the kingdom after four years spent studying in America (followed everywhere by bodyguards), the princess chafes in her gilded cage and rails against the responsibilities and insignificance of her duty-bound royal life. Determined to make a difference in the world, she successfully petitions her father to be allowed to volunteer for the Red Cross and soon finds herself in East Africa working alongside doctors and other volunteers providing relief services to AIDS victims. Inevitably, in Africa she meets and falls in love with a handsome Harvard-educated doctor and is quite happy for the first time in her life, doing hard but meaningful work and spending time with her soul mate. When violence intrudes upon this idyll, Christianna must return home, where her father promptly quashes the relationship with the commoner. As the two lovers pine for each other from opposite ends of the earth, a series of events is unleashed leaving the princess in charge of her own destiny and

ultimately reuniting the pair. Steel's fans will be waiting for this one. Kathleen Hughes Copyright © American Library Association. All rights reserved --This text refers to the Hardcover edition.

Fair Tale with a sad & Happy ending. Women with strength, courage and fortitude are leaders and can be the Royal Highness as well as the Leader of a government and country.

This was fun and sad, but entertaining , such a pleasure to read and place yourself in such a circumstance. DANIELLE STEEL writes like no one else. I always find myself trying to get back to reading as soon as I can. What a gift to anyone that buys one of her books

A great book, just what we expect from a Steel book. Never wanted to put it down. This was a real page turner Doesn't want it to end.

NOT ONE OF MY FAVORITE BOOKS TOO SLOW MOVING BUT DANIELLE IS STILL MY FAVORITE AUTHOR. ENDING WAS GOOD,BUT NOT SURPRISING

Slow start, but after a few chapters I didn't want to put it down. A fairy tale of modern time.

I liked it slow in the. Beginning but other that great book

Enjoyed yet another Danielle Steel Book

Always enjoy books by Danielle Steel - easy reading!
